EXHIBIT "A"

ATLANTIC EMERGENCY SOLUTIONS

This purchase agreement (together with all attachments referenced herein, collectively, the "Agreement"), made and entered into by and between Atlantic Emergency Solutions, Inc., a Virginia corporation ("Atlantic"), and **Brook Park Fire Department**, ("Customer") is effective on the last signature date set forth on the signature lines below (the "Effective Date").

1. Purchase and Payment. Customer agrees to purchase and Atlantic agrees to sell to Customer the fire apparatus (and any associated equipment) furnished by Atlantic to Customer (hereinafter referred to, collectively, as the "Apparatus") as more fully described in the specifications attached hereto as **Exhibit A** (the "Specifications") and incorporated herein for the total purchase price of **$2,595,788.00** USD (the "Purchase Price"). Payment shall be made as set forth on Exhibit A. In the event of a conflict between the Specifications and any request for proposal, request for bid, or other Customer provided or drafted documents, the Specifications shall control. The Purchase Price does not include any applicable state, local, and/or transit rates of sales and use tax. Any discount(s), whether implied or explicit, will be applied upon delivery, acceptance, and final invoicing of Apparatus.

2. Changes to Specifications. If, subsequent to the Effective Date of this Agreement: 1) the manufacturer of the Apparatus (or a manufacturer of a component therein) makes design and/or production changes, including, but not limited to future drivetrain upgrades (such as engine, transmission or axle upgrades) ("Manufacturer Modifications"); or 2) design or production changes are made to the Apparatus to comply with any applicable government regulation (such as the Federal Motor Vehicle Safety Standards or the Environmental Protection Agency Emissions Standards) or industry standards (such as those adopted by the National Fire Protection Association) (cumulatively referred to hereinafter as "Compliance Modifications"), and if there is an increase in costs to Atlantic as a result of Manufacturer Modifications or Compliance Modifications, the Purchase Price shall be automatically adjusted to reimburse Atlantic for said costs. Atlantic shall make reasonable efforts to advise the Customer of such changes within a reasonable time and provide documentation to support any changes in price to Customer upon request. In addition, Customer and Atlantic may agree to make changes to the Specifications, but any such changes must be by written change order signed by Customer and Atlantic ("Change Order"). However, in the case of Manufacturer Modifications or Compliance Modifications resulting in additional costs to Atlantic, Atlantic may execute Changes Orders without joinder of Customer, and any such Change Orders shall be binding on Customer. Atlantic shall not be liable to Customer for any delay in performance or delivery arising from any Change Order.

3. Persistent Inflationary Environment. If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] ("PPI") has increased at a compounded annual growth rate of 5.0% or more between the month Pierce accepts our order ("Order Month") and a month 14 months prior to the then predicted Ready For Pickup date ("Evaluation Month"), then pricing may be updated in an amount equal to the increase in PPI over 5.0% for each year or fractional year between the Order Month and the Evaluation Month. Atlantic will document any such updated price for the Customer's approval before proceeding and provide an option to cancel the order.

4. Cancellation or Default by Customer. In the event that Customer cancels its order or otherwise breaches this Agreement by reason of non-payment or otherwise prior to delivery, Atlantic shall be permitted to retain possession and ownership of the Apparatus and shall not be obligated to deliver same to Customer. In addition, Atlantic and Customer agree that if such Customer breach were to occur, it would be difficult to determine actual damages to Atlantic. Customer acknowledges and agrees that: 1) the Apparatus is a unique and highly customized vehicle, made specifically for Customer; 2) Atlantic has invested a significant effort and incurred significant expense in the design and engineering of the Apparatus for Customer; and 3) due to its unique and customized nature, resale of the Apparatus will be difficult to a third-party without a significant loss to Atlantic. As a result, Atlantic and Customer agree that an amount equal to Thirty Percent (30%) of the Purchase Price ("Liquidated Damages") is a reasonable estimate of the damages that would be incurred by Atlantic if a breach occurred in the future and shall be due and payable to Atlantic by Customer in the case of such a breach. Customer and Atlantic agree that this amount of Liquidated Damages is fair and reasonable and would not constitute a penalty to Customer. In the event of non-payment by Customer subsequent to delivery, Atlantic may recover full possession of the Apparatus by any lawful means, and shall be entitled to any additional damages sustained by Atlantic as a result of any diminution of value of the Apparatus resulting from use or damage thereto to the extent that such damages exceed the Liquidated Damages amount set forth above. Atlantic shall have and retain a purchase money security interest in the Apparatus to secure payment of the Purchase Price and all other sums owed by Customer to Atlantic. In the event of nonpayment by Customer of any debt, obligation or liability now or hereafter incurred or owing by Customer to Atlantic, Atlantic shall have and may exercise all rights and remedies of a secured party under the Uniform Commercial Code (UCC) Secured Transactions provisions as adopted by the Commonwealth of Virginia. In addition, Atlantic

shall be entitled to recovery from Customer an amount equal to all of Atlantic's reasonable attorneys' fees and all costs of collection resulting from non-payment, breach or other non-performance hereunder by Customer.

5. Delivery, Inspection and Acceptance. (a) Delivery. It is estimated that the Apparatus shall be ready for delivery F.O.B. (Macedonia Ohio) within **40-42 Months** from the Effective Date of this Agreement, subject to delays caused by the Customer, delays caused by Change Order(s) or delays provided for in Paragraph ten (10) below. Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible. Atlantic shall advise Customer when the Apparatus is ready for delivery to (or pick-up by) Customer. (b) Inspection and Acceptance. Upon delivery of possession of the Apparatus of Customer, Customer shall have fifteen (15) days within which to inspect the Apparatus for substantial conformance to the Specifications. In the event of substantial and material non-conformance to the Specifications, Customer shall furnish Atlantic with written notice sufficient to permit Atlantic to evaluate such non-conformance ("Notice of Defect") within said fifteen (15) day period. If the Apparatus is not in substantial and material conformance with the Specifications, any material and substantial defects shall be remedied by Atlantic within thirty (30) days from the Notice of Defect. In the event Atlantic does not receive a Notice of Defect within said fifteen (15) day period, the Apparatus shall be deemed to be in conformance with the Specifications and fully accepted by Customer.

6. Notice. Any required or permitted notices hereunder must be given in writing at the address of each party set forth below, or to such other address as either party may substitute by written notice to the other in the manner contemplated herein, by one of the following methods: 1) hand delivery; 2) registered, express, or certified mail, postage prepaid, return receipt requested; or 3) nationally-recognized commercial overnight courier.

11. Force Majeure. Atlantic shall not be responsible nor deemed to be in default on account of delays in performance due to causes which are beyond Atlantic's control which make Atlantic's performance impracticable, including but not limited to, wars

12. Manufacturer's Statement of Origin. It is agreed that the manufacturer's statement of origin ("MSO") for the Apparatus covered by this Agreement shall remain in the possession of Atlantic until the entire Purchase Price has been paid. If more than one Apparatus is covered by this Agreement, then the MSO for each individual Apparatus shall remain in the possession of Atlantic until the Purchase Price for that Apparatus has been paid in full.
