

Local Realtors

You are not required to use these realtors as part of the Residential Acquisition Program. You may select any realtor of your choosing. The following realtor listing is provided for your convenience. I have interviewed each one of these realtors and gained their assurance that you would be treated with the utmost respect and professionalism. If at any time you don't feel comfortable with any realtor for whatever reason, you may select another realtor. Please inform the Department of Airport Relations if you feel any realtors are conducting themselves unethically. It is recommended that you work with a buyer's agent. As a buyer's agent, your realtor is working exclusively to look out for your best interests, and their loyalties are not split between you and the seller. BEWARE: Some buyer's agents charge a fee for this exclusive service, and this fee is NOT reimbursed to you as part of the Residential Acquisition Program.
