The following is the consumption of energy used to operate each pool. Please keep in mind your rates may vary between single phase power and 3 phase power. The 3 phase power costs should be much less than the single phase. There are variables as far as the room temperature and water temperature. The warmer the air the less the pool works to keep the water heated.

Qty3 - 5.0 hp Hydraulic Power Units (two for Swim Current, one for Treadmill), each can consume ~15 A @ Three Phase 208 V
5 hp appx ~ 3.7 kW
Say under busy conditions 3 hrs / day for each Hydraulic Power Unit, so 9 hrs * 3.7 kW = 33 kWh / day, and with 25 days / month of use = 830 kWh / month

Qty1 - 1.0 hp Water Circulation Pump, consumes ~ 5 A @ Three Phase 208 V
Qty1 - 6 kW Electric Heater, consumes ~17 A @ Three Phase 208 V
1.0 hp appx ~0.75 kW
Pump runs 24 hrs/day * 30 days/month = 720 hrs / month * 0.75 kW = 540 kWh / month
6 kW heater runs maybe 8 hrs / day * 30 days/month = 1440 kWh / month

So you have 830 kWh + 540 kWh + 1440 kWh = appx 2800 kWh / month per pool. Likely crunches out to a couple hundred dollars / month for each pool.

Per Finance from Electric Company

2800kWh x .0614 = \$171.92 x 2 pools = \$343.84 a month for both pools
\$4,126.08 a year

2800kWh x .11569 = \$323.93 x 2 pools = \$647.86 a month for both pools-
All in cost for all fees and charges
\$7,774.32 a year

ALTERNATIVE TAX BUDGET INFORMATION

Political Subdivision/Taxing Unit City of Brook Park

For the Fiscal Year Commencing January 1, 2018

Fiscal Officer Signature _____ Date _____

COUNTY OF CUYAHOGA

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

On October 11, 2002, during the Cuyahoga County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (Including Schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

For all political subdivisions excluding school districts, the fiscal officer must file one copy of this document with the County Fiscal Officer on or before July 20th. For school districts the fiscal officer must file one copy of this document with the County Fiscal Officer on or before January 20th.

All applicants who successfully pass the promotional examination shall be required to pass a psychological examination and be subject to evaluation as to supervisory ability from an approved Assessment Center. The purpose of such examination and assessment is to determine whether a successful candidate is capable of making command decisions. Such test and assessment will be administered within twenty (20) days after determining the successful candidate. The Employer shall administer the test through a psychologist of its own choosing. An assessment shall be through an independent Assessment Center. In the event of an adverse report, the candidate may challenge the Employer's psychologist's determination through a physician or neutral assessment center of his/her choosing. If there is a conflict in opinions, the parties shall select a competent psychologist or assessment center who/ that specializes in testing or assessments for a final and binding evaluation. The losing party shall pay the full cost of the examination. The psychological examination and/or assessment examination shall have no effect upon the score of the examination. The total score utilized for determining promotions will include the raw test score of each individual plus points based upon seniority. Evaluations will have no impact on the total score. During the promotional probationary period, the employee shall be allowed to request a voluntary demotion for reasonable or good cause. The Employer shall not unreasonably deny such request.

Section 8. Selection of C Days. Selection of C Days shall proceed by seniority alone without regard to rank. Employees may, at the Chief's discretion, be permitted to exchange C-Days within a work cycle if no other employee is scheduled for that C-Day selection and such exchange will not result in any overtime payments.

Section 9. Health and Safety Committee. There shall be a Health and Safety Committee consisting of four (4) members, two (2) of which will be appointed by the Union and two (2) of which will be appointed by the Employer. The Health and Safety Committee will meet quarterly, or more or less often by mutual consent, and such meeting shall be scheduled at a time mutually convenient to both parties. The purpose of these meetings will be to discuss problems and objectives of mutual concern regarding health and safety conditions within the Fire Department but shall not serve as a forum for grievance presentation.

Section 10. New Hire Probationary Period. The new hire probationary period shall be one (1) year.

Section 11. Severance Benefits. An employee who retires has the option to receive sick leave conversion payments, holiday leave pay and accrued unused leave within thirty (30) days upon retirement or in installments over the following three (3) calendar years.

ARTICLE XVIII

Section 1. It is agreed by and between the Employer and the Association that it is in the best interests of the parties to create a Labor Management Committee for the purpose of discussing areas of mutual concern.

Section 2. The Labor Management Committee shall consist of the Mayor or his designated representative and the Brook Park Chief of Fire and two (2) representatives of the Association. Said committee shall meet at least once every three (3) months for the purpose of discussing or attempting to resolve any mutual work-related problems.

Section 3. Any member of the Labor Management Committee may put a matter on the committee's agenda at least five (5) working days in advance of a scheduled meeting. Both the Employer and the Association shall make every effort to implement the unanimous decisions of the committee.

Section 4. This committee is not intended to resolve grievances, but is intended to discuss matters of general concern.

Section 5. Employee members shall have the right to attend such meetings without loss of pay.

ARTICLE XIX
PENSION "PICK UP" PAYMENTS

Section 1. There shall be a pension "pick up" plan in which the members' gross salary shall be reduced by the full amount of said contribution. The members' contributions which are "picked up" by the Employer shall be treated in the same manner as contributions made by members prior to the commencement of the "pick up" program and will, therefore, be included in "compensation" for the purposes of the Police and Fire Disability and Pension Fund benefit calculations, and for the purposes of the parties in rising salaries and compensation of members as set forth in this Contract. The Employer's contribution to the Police and Fire Disability Pension Fund will be calculated on the full salary of members before the "pick up" is deducted from gross salary.

ARTICLE XX
SHIFT EXCHANGE

Section 1. Non-probationary employees shall have the right to exchange shifts, when the change does not interfere with the operation of the Fire Department. Exchanges may be for the entire twenty-four (24) hour shift or any part thereof, in minimum increments of two (2) hours, unless the exchange is at the start or completion of a shift. Probationary employees may trade time at the discretion of the Chief.

Section 2. Shift exchanges shall not exceed three hundred sixty (360) hours in a year.

Section 3. Shift exchange shall not leave the Employer with less than three (3) paramedics and/or one (1) shift officer scheduled for that day.

Section 4. Shift exchange shall not result in any overtime compensation for any employee.

In the event the employee elects to voluntarily work on any of the three (3) holidays contained in this Agreement, the parties agree such day shall consist of ten (10) hours for such staff employees. Moreover, the parties explicitly agree that the provisions for overtime pay for employees who work, on a holiday shall not be applicable to any Fire Prevention Bureau employee who voluntarily elects to switch the holiday and such three (3) holidays worked in this Agreement would be at the Fire Prevention Bureau employee's straight time rate of pay.

Section 4. Employees in the Bureau of Fire Prevention shall be credited with sick leave of ten (10) hours for each month of service.

Section 5. All earned overtime by the employee beyond the normal forty (40) hour work week shall be governed by the overtime provision of the Agreement.
