Re: Purchase Four 2017 Ford Police SUVs

Attached to this memo you will find Sgt Sulminski's report regarding price quotes for four 2017 Ford Police SUVs. In speaking with Sgt Sulminski, he mentioned that he attempted to obtain 5 price quotes but two local Ford dealerships had no interest in ordering police vehicles.

There are 3 price quotes attached to this memo:

1) Lebanon Ford	\$128,492.00
2) Bob Gillingham Ford	\$135,288.16
3) Statewide Ford	\$143,968.00

The criteria for selecting a dealership to purchase police vehicles has been to select a dealer who is the lowest and best price along with being reasonable close to the City of Brook Park. Statewide Ford is located in the Columbus area and is the highest quote so Statewide was eliminated. Lebanon Ford is the current dealership selected for state pricing but is located in the Cincinnati area and Sgt Sulminski reports difficulty in waiting to receive a price quote so Lebanon Ford has been eliminated.

Gillingham Ford is being selected because Sgt Sulminski believes they are a dealership who clearly has been the easiest to work with and has been very prompt with answers to his questions and their paperwork. The Brooklyn Police Department highly recommends Gillingham Ford after recently completing a purchase of police vehicles.

The deadline to order police vehicles is July 15, 2017.

Chief Foster,

Attached are the bids for four (4) 2017 Ford Utility Interceptor SUV's. The state contract provider at this time is Lebanon Ford in Lebanon, Ohio which is near Cincinnati, Ohio. A request for a bid was sent to five (5) dealerships to make a bid on the four vehicles. Two dealerships declined to bid (Auto Nation Ford in Westlake and Kowalski Ford in Avon Lake). Three dealerships provided bids. Bob Gillingham Ford-Parma, Oh. Lebanon Ford-Lebanon, Oh. and Statewide Ford-Van Wert, Oh. When the request for bids was sent to the dealerships, I did advise the dealerships that they are welcome to examine our current fleet and compare it to the two (2) new Ford interceptors which we received early this year (2017). Bob Gillingham Ford is the only dealership which came and inspected the vehicles. Statewide Ford provided the new 2017 models, so they were familiar with the specifications of the request for bid.

The following documentation is attached and numbered at the top of the page; 1* The bid specification which was sent to the dealerships, 2* Bob Gillingham Ford (1st bid received and within the bid requested date), 3* Lebanon Ford (2nd bid received/State contract provider) and 4* Statewide Ford (3rd bid received/Last year's state contract provider).

The base price for the Ford Utility Interceptor per state pricing is \$26,005.00. Below I have summarized the bid prices from the three bidders

2. Bob Gillingham Ford: A. Base price- $\$27,207.00 \times 4 = \$108,828.00$
B. Police vehicle options + Base price $\times 4 = \$112,408.00$
C. Transfer/Install of current equipment (moving equipment) from old vehicle to new vehicle- $\$4,632.54 \times 4 = \$18,530.16$

CITY OF BROOK PARK

DEPARTMENTAL INFORMATION

D. Vehicle wrap- $\$837.50 \times 4 = \$3,350$
E. Total Vehicle cost (B+C+D) = $\$134,288.16$

3. Lebanon Ford: A. Base Price-26,005.00
B. Police vehicle options + Base price $\times 4 = \$108,176.00$
C. Transfer/Install of equipment $\$3984 \times 4 = \$15,936$
D. Vehicle Wrap- $\$1,095 \times 4 = \$4,380.00$ (they did not include flag decal in Wrap specification when bid was submitted. They were advised of this over sight)
E. Total vehicle cost (B+C+D) = $\$128,492.00$

4. Statewide Ford: A. Base Price-\$26,004.00
B. Police vehicle options + Base price $\times 4 = \$107,180$
