Memo

Date: November 22, 2017

To: Clerk of Council, Michelle Blazak, President of City Council, Jim Astorino, All members of City Council

From: Mayor Tom Coyne

RE: Resolution 27-2017

Please be advised that in accordance with section 3.03(b) of the Charter of the City of Brook Park, I hereby Veto Resolution 27- 2017 for the following reasons;

1. After review of the state regulations retail sales would be the only portion of the operation of the medical marijuana processing that could be considered in Brook Park. Ideally, it was my hope that retail sales could be undertaken by licensed pharmacies, the state determined otherwise. I see no impediments nor adverse effects to retail sales outlets being permitted in our city. This resolution speaks more to procrastination then legitimate concern. Council should enact legislation to allow for retail sales outlets under a conditional use permit. The continuation of the moratoriums serves no legitimate purpose.
2. Concern for our veterans and convenience of accessibility to prescribed treatment for our citizens should be paramount. The medical advocates contend that medical marijuana is the better choice than opioids to treat pain and relieve suffering. Our affected citizens should not have to leave Brook Park to get the prescribed help they require.
3. It's Veterans Day, banks are closed, people don't receive their mail and military veterans have multiple options to eat free at restaurants as a thank you for their services. But the American Legion, wants those who served to have access to something else: medical marijuana. The National American Legion wants the federal government to reclassify marijuana and to allow veteran affairs doctors to prescribe medical marijuana to patients in states that allow it. Brook Park City Council should pass a resolution to that effect supporting our veterans.
4. Finally, as of September 2018 physicians in Ohio will now be allowed to prescribe medical marijuana to their patients suffering from any disease on the following list:

17 NOV 22 PM 8:29:01

- AIDS/HIV
- Alzheimer's disease
- Amyotrophic lateral sclerosis, or ALS
- Cancer
- Chronic traumatic encephalopathy
- Epilepsy or another seizure disorder
- Fibromyalgia
- Glaucoma
- Hepatitis C
- Inflammatory bowel disease
- Multiple sclerosis
- Chronic or severe pain
- Parkinson's disease
- Post-traumatic stress disorder, or PTSD
- Sickle cell anemia
- Spinal cord disease or injury
- Tourette's syndrome
- Traumatic brain injury, or TBI
- Ulcerative colitis

We have hundreds of veterans and other citizens in our city suffering from one or more of the above diseases. If their doctor does prescribe these medicines to eliminate their pain our citizens should not have to go to other cities just to fill their prescriptions.

Thank you.

Mayor
