ALTERNATIVE TAX BUDGET INFORMATION

Political Subdivision/Taxing Unit _____ City of Brook Park _____

For the Fiscal Year Commencing _____ January 1, 2021 _____

Fiscal Officer Signature _____ Date _____

COUNTY OF CUYAHOGA

Background

Substitute House Bill No. 129 (HB129) effective June 3, 2002, was enacted by the 124th General Assembly in part to allow a county budget commission to waive the requirement that a taxing authority adopt a tax budget for a political subdivision or other taxing unit, pursuant to Ohio Revised Code (ORC) Section 5705.281.

Ohio Revised Code Section 5705.281

Under the amended version of this section pursuant to HB 129, a county budget commission, by an affirmative vote of a majority of the commission, including an affirmative vote by the county auditor, may waive the tax budget for any subdivision or other taxing unit. However, the commission may require the taxing authority to provide any information needed by the commission to perform its duties, including the division of the tax rates as provided under ORC Section 5705.04.

County Budget Commission Duties

The county budget commission must still certify tax rates to each subdivision or other taxing unit, by March 1 for school districts and by September 1 for all other taxing authorities under ORC Section 5705.35, even when a tax budget is waived. Also, the commission is still required to issue an official certificate of estimated resources under ORC Section 5705.35 and amended official certificates of estimated resources under ORC Section 5705.36.

Therefore, when a budget commission is setting tax rates based on a taxing unit's need, for purposes of ORC Sections 5705.32, 5705.34, and 5705.341, its determination must be based on that other information the commission asked the taxing authority to provide under ORC Section 5705.281, when the tax budget was waived. Also, an official certificate must be based on that other information the commission asked the taxing authority to provide.

County Budget Commission Action

On October 11, 2002, during the Cuyahoga County Budget Commission meeting, the commission with an affirmative vote of all members waived the requirement for taxing authorities of subdivisions or other taxing units (including Schools) to adopt a tax budget as provided under ORC Section 5705.281, but shall require the filing of this Alternative Tax Budget Information document on an annual basis.

Alternative Tax Budget Information Filing Deadline

For all political subdivisions excluding school districts, the fiscal officer must file one copy of this document with the County Fiscal Officer on or before July 20th. For school districts the fiscal officer must file one copy of this document with the County Fiscal Officer on or before January 20th.

GUIDELINES FOR COMPLETING THE ALTERNATIVE TAX BUDGET INFORMATION

SCHEDULE 1

The general purpose of schedule 1 is to meet the requirement of Ohio Revised Code (ORC) Section 5705.04 which requires the taxing authority of each subdivision to divide the taxes levied into separate levies. For help use the schedule B issued by the budget commission for the current year and add any new levies. This will help to ensure that no levies are missed.

In column 1 list only those individual funds which are requesting general property tax revenue. In column 2 purpose refers to the following terms, inside, current expenses, and special levy for example. In column 4 levy type refers to renewal, additional, and replacement for example. In column 9 identify the amount of general property tax you wish to request.

NOTE:

The general purpose of column 9 is to demonstrate the need to produce property tax revenues to cover the estimated expenditures for the budget year. ORC Section 5705.341 states in part;

"Nothing in this section or any section of the ORC shall permit or require the levying of any rate of taxation, whether within the 10 mill limitation or whether the levy has been approved by the electors, the political subdivision or the charter of a municipal corporation in excess of such 10 mill limitation, unless such rate of taxation for the ensuing fiscal year is clearly required by a budget properly and lawfully, adopted under this chapter or by other information required per ORC 5705.281."

Property tax revenue includes real estate taxes, personal property taxes, homestead and rollback, and the personal property 10,000 exempt monies.

SCHEDULE 2

The general purpose of schedule 2 is to produce an Official Certificate of Estimated Resources for all funds.

In column 3, total estimated receipts should include all revenues plus transfers in excluding property taxes and local government revenue. All taxing authorities must submit a list of all tax transfers.

SCHEDULE 3

The general purpose of schedule 3 is to provide inside/charter millage for debt service. The basic security for payment of general obligation debt is the requirement of the levy of ad valorem property taxes within the 10 mill limitation imposed by Ohio law. Ohio law requires a levy and collection of ad valorem property tax to pay debt service on general obligation debt as it becomes due, unless that debt service is paid from other sources.

SCHEDULE 4

The general purpose of schedule 4 is to provide for the proper amount of millage to cover debt service requirements on voted bond issues. Major capital improvement projects are sometimes financed through the use of voted bonds. The taxing authority seeks voter approval of general obligation bonds and of the levy of property taxes outside the indirect debt limitation in whatever amount is necessary to pay debt service on those bonds.

SCHEDULE 5

The general purpose of schedule 5 is to properly account for tax anticipation notes. See schedule 5 for more details.

To whom it may concern:

WatchGuard Video is the exclusive and sole manufacturer of the DV-1 Digital In-Car Video System, the 4RE Digital In-Car Video System, the High Fidelity Wireless Microphone System, and the VISTA wearable camera system. With the exception of the following agreements, these products are represented and sold only by WatchGuard Video Regional Sales Managers selling factory direct in protected sales territories. The exceptions to this are agreements allowing resellers to distribute WatchGuard products on a General Services Administration Contract (GSA), and State Contracts in Pennsylvania, Louisiana, and New Jersey.

Additionally, several important and unique features are available only with these products;

DV-1 and 4RE Unique Features

- Record-After-The-Fact provides the ability to retrieve video not previously recorded as an event for up to 60 hours of ignition time for retrieval and downloading.
- Through the automatic media overflow function, a DVD (DV-1) or Removable USB Drive (4RE) can be full and the hard drive buffer stores all video until a new DVD or USB Drive is placed in the system. At that time all of the recorded events are captured without 1 second of loss.

DV-1

- The system records digital video onto rewritable DVD-Video discs that play in consumer DVD players, allowing for the actual evidence recorded in the car to be the exact evidence presented in court. The system records pre and post event as part of the same Title and not separated. The DVD burning process happens in real-time, and while in motion.
- Supervisors can recover up to 6 of the previous DVDs recorded in the event a DVD is damaged. The system creates a mirror image of the original.
- The DVD recorder is isolated from shock and vibration using a silicone-oil dampened suspension system.
- The complete system is offered in a 1-Piece overhead mounted version that mounts conveniently using an overhead mounting bracket.

4RE

- 4RE is the only high-definition digital in-car video system available today that features the Patented multiple resolution encoding. This allows the front camera to record in two different IACP compliant resolutions simultaneously, allowing the most critical events to be saved in 720P high-definition and the routine events to be saved in 480P (864x480) resolution.

INTRODUCED BY: COUNCILMAN MENCINI, C/W Mayor Gammella

A RESOLUTION
STRONGLY URGING OUR FEDERAL SENATORS TO PASS THE HEALTH AND
ECONOMIC RECOVERY OMNIBUS EMERGENCY SOLUTIONS ACT "HEROS", AND
DECLARING AN EMERGENCY

WHEREAS, the City of Brook Park's number one concern is adequate funding to sustain vital public services for our residents; and

WHEREAS, approximately 70 to 80 percent of the City of Brook Park's general operating revenue comes from income tax, which is taking a direct hit as unemployment continues to climb in record numbers, and the City has no other way of generating those funds; and

WHEREAS, the State of Ohio GRF has seen a decline in revenues and the Governor has already announced severe budget cuts, and the Local Government Fund distribution to cities will decrease accordingly; and

WHEREAS, this revenue loss has made it increasingly difficult to provide basic services, rebuild infrastructure, and bolster public safety services to fight the COVID-19 pandemic; and

WHEREAS, when municipalities experience success in fostering safe communities, building sound infrastructure, and increasing economic development, the State of Ohio and the United States reaps the benefits as well, and without adequate funding, the City will be forced to make deep cuts that will prolong the economic recovery; and

WHEREAS, although Ohio will receive \$1.2 billion from the Coronavirus Relief Fund, local governments will only be able to use those funds for unbudgeted COVID-19 related expenses, however, the most critical need for immediate funding is for dollars that can be used for budget stabilization, and

WHEREAS, the Health and Economic Recovery Omnibus Emergency Solutions Act, or "HEROS" Act has been passed by the House of Representatives, and will provide over one trillion dollars in aid to State and local governments, including 915 billion dollars in flexible aid to local communities, for any purpose, including backfill revenue loss; and

WHEREAS, the HEROS Act includes approximately twenty billion dollars for the State of Ohio to distribute to local municipalities.

NOW THEREFORE BE IT RESOLVED, by the Council of the City of Brook Park, State of Ohio that:

SECTION 1: The Senate should pass the HEROS Act, which include funds for local municipalities and will allow those funds to be used by local governments for budget stabilization, ensuring that these local communities are able to provide crucial services and improvements in infrastructure and public safety.

SECTION 4: This Resolution is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of said City, and for the further reason to urge the Senate to pass the HEROS Act, which includes funding for local municipalities for budget stabilization, provided that that this Resolution receives the affirmative vote of at least five (5) members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, from and after the earliest period allowed by law.
