AN ORDINANCE ENACTING CHAPTER 527 OF THE BROOK PARK CODIFIED ORDINANCES ENTITLED "FLYING MODEL AIRCRAFT/UNMANNED AERIAL VEHICLES (UAVs)", AND DECLARING AN EMERGENCY

WHEREAS, the city desires to enact a codified chapter that defines the regulations as they apply to the operation of any model aircraft, unmanned aircraft, drone, or other unmanned aerial vehicle within the city of Brook

NOW THEREFORE, BE IT ORDAINED, by the Council of the City of Brook Park, State of Ohio, that:

SECTION 1: Chapter 527 of the Brook Park Codified Ordinances, entitled "Flying Model Aircraft/Unmanned Aerial Vehicles (UAVs)" is hereby enacted to read as follows:

#### CHAPTER 527 Flying Model Aircraft/Unmanned Aerial Vehicles (UAVs)

PURPOSE. The purposes of this chapter are to establish limitations on flying model aircraft/unmanned aerial vehicles (UAVs) within the City and to establish reasonable and uniform regulations to minimize and control the negative secondary effects of flying model aircraft/unmanned aerial vehicles (UAVs) within the City, all in order to promote the health, safety, and welfare of the citizens of the City.

#### Operation. 527.02

(a) No person shall operate, within the city limits of Brook Park, any model aircraft, unmanned aircraft, drone, or other unmanned aerial vehicle (collectively, "UAVs") which is controlled by radio, electronic, or similar free flight operation, by a person,

- computer, or machine on the ground or otherwise, in a manner such that the UAV flies within 1,000 feet of any of the following:
- (1) Public or private school property, without the express written consent of the individual authorized to grant said consent. This would include all the athletic facilities located on school property as well as all school buildings;
- (2) All city owned buildings, without the express written consent of the Mayor or Police Chief;
- (3) City owned water towers;
- (4) Utility power sub stations;
- (5) Active crime scenes;
- (6) Active fire or accident scenes; and
- (7) Cell towers.
- (b) In addition to the above, the following shall govern the use of said UAVs:
  - (1) Sustained operation of above any roadway is prohibited where such operation could impair drivers' line of sight, distract drivers, or come into contact with motor vehicles operating within said roadways;
  - (2) Operation to capture images of people on private property that would otherwise not be visible without the use of the UAV is prohibited;
  - (3) Operation before dawn and after dusk is prohibited, unless prior authorization has been given by the Chief of Police, or his or her designee; and
  - (4) No person shall equip any drone with any weapon such as a firearm, explosive device, incendiary device, ballistic knife, knife, zip gun or any other dangerous ordnance as described in sections 2923.11 or 2923.24 of the Ohio Revised Code or any similar device.

#### 527.99 Penalty.

(a) Whoever violates this section is guilty of a misdemeanor of the first degree.

Section 2: It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and any of its committees that resulted in such formal action were in meetings open to the public in compliance with the legal requirements, including Section 121.22 of the Ohio Revised Code.

SECTION 3: This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of said City, and for the further reason to enact Chapter 527 of the Park Codified Ordinances; therefore, provided this Ordinance receives the affirmative vote of at least five (5) members elected to Council. It shall take effect and be in force immediately from and after its passage and approval by the Mayor; otherwise, from and after the earliest period allowed by law.

INTRODUCED BY: MAYOR GAMMELLA

AN ORDINANCE AUTHORIZING THE MAYOR TO ENTER INTO AN ELECTRIC VEHICLE CHARGING STATION PROGRAM PARTNER AGREEMENT WITH NOACA, AND DECLARING AN EMERGENCY

WHEREAS, the Northeast Ohio Areawide Coordinating Agency (herein referred to as NOACA) has secured Federal funding to provide electric vehicle charging stations; and

WHEREAS, the City of Brook Park owns the property located at 17400 Holland Road, a portion of that property is the proposed site for the installation, operation and maintenance of the electric vehicle charging station under the project.

NOW THEREFORE, BE IT ORDAINED, by the Council of the City of Brook Park, State of Ohio, that:

- SECTION 1: That the Mayor is hereby authorized and directed to enter into an electric vehicle charging station program partner agreement with NOACA.
- SECTION 2: The cost is to be 100% funded by NOACA, as evidenced by the attached Exhibit "1".
- SECTION 3: It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.
- SECTION 4: This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of said City, and for the further reason that Council deems it necessary for the Mayor to

enter into said agreement with undue delay; therefore provided this ordinance receives the affirmative vote of at least five (5) members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, from and after the earliest period allowed by law.

#### **Electric Vehicle Charging Station Program Partner Agreement**

THIS AGREEMENT is made effective and entered into as of the date last signed by the parties by and between the City of Brook Park, Ohio hereinafter referred to as the Partner, 6161 Engle Road, Brook Park, Ohio 44142; and the Northeast Ohio Areawide Coordinating Agency, herein referred to as NOACA, 1299 Superior Avenue, Cleveland, Ohio, 44114.

#### 1. PURPOSE

- 1.1 Chapter 23, Section 133 of the United States Code provides states with Federal funds to conduct the Congestion Mitigation and Air Quality (CMAQ) program and the funds apportioned to Ohio under 23 U.S.C. 149 are administered by the Ohio Department of Transportation ("ODOT").
- 1.2 NOACA has been allocated federal funds and is contributing a portion of local funds for a project involving the planning, distribution and installation of DCFC and/or Level 2 Dual Port Electric Vehicle Charging Stations at multiple locations throughout Cuyahoga, Geauga, Lake, Lorain and Medina counties (hereinafter the "Project"), which has received Federal Highway Administration ("FHWA") approval and authorization. The Project is identified as PID 112897, and named District 12/District 3 NOACA EV Charging Stations.
- 1.3 The Partner is authorized to enter into a contract with NOACA to administer the design, qualification of bidders, competitive bid letting, use of the improvement on local agency property, construction inspection, research, and acceptance of any projects or transportation facilities, provided the administration of such projects or transportation facilities is performed in accordance with all applicable local, state and federal laws and regulations with oversight by ODOT, specifically including Section 5501.03 of the Ohio Revised Code as to the Ohio Department of Transportation.
- 1.4 Brook Park owns the property known as and located at 17400 Holland Road, Brook Park, Ohio 44142 and agrees to allow use of a portion of that property as a site for installation, operation and maintenance of electric vehicle charging stations under the Project.
- 1.5 The purpose of this Agreement is to set forth requirements associated with the Federal funds available for the Project and to establish the responsibilities for NOACA and the Partner in administration, construction, operation and maintenance of the Project.

#### 2. FUNDING

- 2.1 NOACA shall use the above-mentioned federal funding and the local share that NOACA is providing to pay for all eligible items at a rate of 100% participation to implement the Project as scoped, including all expenses associated with preliminary engineering, design, planning, construction and construction administration activities.
- 2.2 Unless otherwise agreed to in writing between the parties, Partner shall not be responsible for any costs of the development and construction of the Project, including costs related to preliminary engineering, environmental engineering, design and plans, construction contractor costs for purchase and installation of EV charging station equipment and software, site preparation, marking of parking spaces, extension of electric supply lines and connection to the charging stations.

#### NOTICE

3.1 Notice under this Agreement shall be directed as follows:

NOACA and the Partner shall designate a point of contact for all communications with associated with performance of the Project. The point of contact shall be responsive to all communications in the performance of the Project. As of the Effective Date of this Agreement, the parties designate the following contacts:

#### 4. TERM

The Term of this Agreement shall begin on the above-stated effective date and, unless otherwise terminated as provided in this Agreement, shall last for a period of five (5) years, which period shall coincide with the duration of the Project funding period with FHWA.

#### 5. EXPIRATION AND TERMINATION PROVISIONS

5.1 This Agreement and obligation of the parties herein may be terminated by either party with thirty (30) days advance written notice to the other party. In the event of termination during construction, NOACA shall order a cease work, terminate all subcontracts relating to such terminated activities, take all necessary or appropriate steps to limit disbursements and minimize costs at the site, and furnish all data results, reports, and other materials describing all work under this contract, including without limitation, results accomplished, conclusions resulting therefrom, and such other matters as NOACA and/or ODOT may require.

#### 6. OBLIGATIONS/RESPONSIBILITIES OF NOACA

- 6.1 NOACA will service as the Local Public Agency ("LPA") for the project, assuming all responsibilities to FHWA and ODOT in adherence to all requirements contained with the Locally Administered Transportation Projects Manual of Procedures. NOACA will engage the services of any consultants and contractors necessary to perform the Project provided under this Agreement.
- 6.2 NOACA will, in coordination with the Partner, assess potential sites to determine level of scope, costs, and schedule for charger installation at the identified site.
- 6.3 NOACA will be responsible for:
  - a. Development of detailed project scope and location identification as well as an engineer's estimate identifying all costs necessary for implementation of the Project.

- b. Development of the Plans, Specifications and Estimate (PS&E) package in accordance with ODOT Project Development Process (PDP) requirements, including:
  - -Environmental (NEPA) Documentation
  - -Right of Way Certification to ODOT
  - -Design Plans (Consultant, proposed Design-Build)
  - -Construction Specifications (Design-Build Scope)
  - -Bidding Documents
- c. Procurement and contract award for charging station equipment, electrical upgrades, and all labor necessary for proper installation
- d. Directly or through a consultant perform construction inspection
- e. Directly or through its Project contractor, obtain any applicable zoning and building permits, certificate of occupancy or other license, permit and approval. To the extent necessary to obtain such permit, license or approval, Partner will cooperate with NOACA or its contractor in obtaining such permit, license or approval as may be necessary.
- 6.4 NOACA shall provide copies of its plans, drawings, specifications for the construction and installation of the EV charging stations at Partner's site for review and acceptance,
- 6.5 NOACA shall require of its construction contractor that it indemnify and hold harmless the State of Ohio and ODOT and that such contractor maintain those levels of liability, motor vehicle and Worker's Compensation insurance coverage that are provided in Section 107.12, of ODOT's Construction & Materials Specifications (Jan. 2019, as amended).
- 6.6 Typical construction items for which NOACA is responsible depending on site conditions, include:
  - New charging station units and associated equipment.
  - Conduit, signage at the parking spot, bollards, cable/wiring and electrical service box disconnects.
  - Concrete or asphalt addition or replacement.
  - Paint striping and stenciling of the charging station parking spaces.
  - Charging station installation labor (electrical, trenching, etc.)
  - Annual network fees for up to 5 years included in the original purchase price
  - Warranty and annual maintenance contract costs for the charging equipment (at least 5 years warranty required) included in the original purchase price
  - Construction inspection
- 6.7 NOACA shall require that its contractor or vendor cooperate with the Partner in setting up multiple pay options which users may employ to pay for any fee that may be charged for use of the EV charging stations under Section 12.
- 6.8 NOACA or its contractor or vendor will be responsible for registering the location, hours of availability and other details about the EV charging stations in any mapping or other relevant EV charging station database.
- 6.9 NOACA will ensure compliance with all federal requirements associated with project

- implementation, including environmental review, coordination of right of way or rights to locate on specific properties, design, contracting and reporting.
- 6.10 NOACA will include provisions in its Project or construction contract requiring that routine troubleshooting of the EV charging equipment and network upgrades are included under that contract for the five (5) year useful life of the charging units.
- 7. OBLIGATIONS/RESPONSIBILITIES OF PARTNER
- 7.1 As provided in Section 8, Partner will provide access to a specific location on its property for the construction, maintenance and use of the EV charging stations for the duration of the project, which coincides with the life expectancy of the charging stations of five (5) years.
- 7.2 Partner will coordinate with NOACA in:
  - a. The assessment of potential sites to determine level of scope costs, and schedule for charger installation at each identified site:
  - b. The development of detailed project scope and location identification.
  - c. The development of an engineer's estimate identifying all costs necessary for implementation.
  - d. The certification of availability of necessary property to comply with FHWA regulations for federally funded projects.
- 7.3 Partner will within this Agreement grant NOACA a right of entry onto its property to perform inspections or surveys in the planning of construction and for the full construction/installation of the EV charging station equipment at Partner's site. In the event that any additional or supplemental instrument or conveyance is needed to allow such construction as well as troubleshooting and installation of network updates, during the term of this Agreement, Partner will cooperate to provide such instrument.
- 7.4 Partner will allow for the installation of any additional electrical service facilities across its property which may be necessary to provide a power source to the EV charging stations.
- 7.5 Partner will maintain public access to the EV charging stations site for no less than twelve (12) hours per day for the useful life of the equipment of five (5) years.

#### 8. RIGHT OF ENTRY AND LICENSE

The Partner hereby grants a temporary license and permission for a Right of Entry to NOACA, its consultants, contractors and subcontractors, and utility providers ("Agents") for entry onto the work area located at 17400 Holland Road, Brook Park, O for the purpose of making surveys and tests and constructing the Project, including installation of electric vehicle supply equipment ("EVSE"), necessary site and utilities improvements to operate the EVSE.

- 8.2 This Temporary Right of Entry and License shall commence on the effective date of this Agreement and shall continue until the date of final construction completion and mutual acceptance (the "Term"), unless extended in writing pursuant to the mutual agreement of the parties hereto, at which time NOACA and its Agents shall vacate the property.
- 8.3 Use of the Work Area and the installation of the Project shall be in compliance with the requirements of all applicable Federal, State and local laws, ordinances, rules and regulations.
- 8.4 NOACA and its Agents shall coordinate all Improvements onsite with the designated Partner contact for the Work Area by telephone or by email.
- 8.5 NOACA, and its Agents shall notify the Partner contact at least 72 hours prior to entry onto the Work Area, and immediately if any unusual conditions are encountered. NOACA, or its Agents, shall provide the following information to the Partner contact at the time of notification:
  - (i) Access routes to and from the Work Area;
  - (ii) Type, size and number of vehicles and crews to be used to perform the work; and
  - (iii) Copies of all plans, drawings, permits, etc., including, but not limited to permits related to sediment and erosion control and storm-water management.
- Any and all proposed trimming of trees, cutting of timber and/or clearing of the Work Area by NOACA and its Agents, will be reviewed, approved and inspected by the Partner before any work is begun, to ensure that all such proposed work is permitted and within the Work Area.
- 8.7 NOACA and its Agents shall take any and all precautionary measures to protect any sensitive and threatened or endangered species and habitats.
- 8.8 In the event that historical, cultural or archeological resources are uncovered during the course of construction, work shall be halted immediately and NOACA shall contact State and Federal oversight agencies for guidance.

#### 9. OWNERSHIP OF PROJECT EQUIPMENT

- 9.1 Upon completion of installation and construction EV charging station at the Partner's site and confirmation that the equipment is fully operational, the Partner will be considered to be the owner of the charging stations and thereafter responsible for providing maintenance as covered in Section 10, including maintenance of an electric power supply.
- 9.2 Partner shall be required to maintain the charging stations at its site for a period of five (5) years. Upon the expiration of that five-year period, coinciding with the expiration of this Agreement, Partner may choose to retain the equipment in place and to operate it; or choose to have the equipment removed and discontinue making the charging stations available to the public.
- 9.3 In the event that Partner determines to retain and operate the equipment following the expiration of the five-year period, the Partner will be responsible for maintaining an

agreement with a vendor for management of, receipt and disbursement of fees charges under Section 12.

#### 10. PROJECT MAINTENANCE

- 10.1 23 United States Code, Section 116 requires a formal agreement with the appropriate officials of jurisdiction in which the project is located to provide for the maintenance of the PROJECT for the useful life of five (5) years, beginning from the date the facility is open to the public. The Partner shall be responsible for the maintenance of the PROJECT under this agreement. This includes the maintenance of electrical vehicle supply equipment and associated site improvements to allow for continued operation and functionality. The Partner shall also maintain public access to the site for 12 hours or more per day for the full useful life.
- 10.2 Maintenance under this Section shall include maintaining an electric power supply to the charging equipment and paying the costs of such electric service.
- 10.3 The Project will be included for review under NOACA's annual Project Maintenance Monitoring Policy. If selected for maintenance review, NOACA will coordinate with the Partner to perform a site maintenance review in accordance with the policy, which may result in corrective plans and action to ensure the facility continues to be functional and accessible for public utilization.

#### 11. DATA SHARING AND REPORTING

- 11.1 The Partner will provide, or arrange to be provided through the Electric Vehicle Supply Equipment (EVSE) provider, usage data reports on a semi-annual basis for the five-year useful life (10 total reports). For each EVSE unit installed under this agreement, the following information, in summary form, will be required:
  - 1. Location: Site name, EVSE ID number, address, city, zip, county
  - 2. Operational uptime (percentage)
  - 3. Number of charge events
  - 4. Number of unique vehicles
  - 5. Average charge time per event (minutes)
  - 6. Average kW per charge event
  - 7. Total kW consumed

#### 12. FEE STRUCTURE

- 12.1 The Partner shall have the right to set and collect user or convenience fees to offset costs associated with electricity supply to and maintenance of EVSE. The Partner shall not monetarily profit or direct fees collected to any other purpose.
- 12.2 Payment of the fee shall be available through several optional forms: web/mobile application, pay card, subscription and credit card at point of sale.
- 12.3 Management of the fee payment system will be handled by NOACA's Project contractor or vendor, who shall collect the fees and disburse revenue. Details of the collection, management and disbursement of fees will be set out in a separate written Agreement to be entered after NOACA has awarded the Project construction contract.

- 12.4 The Partner may apply the revenue resources to reimbursement costs of electricity supply and costs of maintenance or repair of the charging units during the term of this Agreement.
- Following the term of this Agreement, in the event that Partner chooses to retain the electric vehicle charging equipment in place and operate and manage that equipment, Partner will be required to enter into a new, separate agreement for a party to manage collection of fees and disbursement of revenue.

#### 13 INDEMNFICATION

- NOACA, to the extent allowable under law in the State of Ohio, and its Project contractor shall indemnify and save harmless the Partner against and from all expenses, liabilities, obligations, damages, penalties, claims, accidents, costs and expenses, including reasonable attorneys' fees paid, suffered or incurred for death or damage or injury to persons or property in whole arising out of the carelessness, negligence, or improper conduct of NOACA or its contractor or subcontractors, its agents, servants, employees or licensees resulting from its performance of its obligations under this Agreement or its use and occupancy of the Premises. Partner's liability shall be determined in accordance with Ohio Revised Code Chapter 2744. Notwithstanding anything to the contrary in this Agreement, no party shall be required to indemnify another party from or against such other party's intentional acts or omissions or negligence.
- 13.2 This provision may be met by maintaining liability insurance policies as outlined in Section 107.12 of the ODOT CMS and providing to Partner copies of certificates of insurance coverage.

#### 14. GENERAL

- 14.1 Neither this contract, nor any rights, duties or obligation described herein shall be assigned by either party hereto without the prior express written consent of the other party. Any change to the provisions of this agreement must be made in a written amendment executed by both parties.
- 14.2 This Agreement shall be construed and interpreted and the rights of the parties determined in accordance with the laws of the State of Ohio.
- 14.3 Performance by the Partner as a political subdivision of the State of Ohio and in the event that the Agreement requires the payment of money, the Agreement is subject to Section 5705.41 requiring the certification of availability of funds by the Fiscal Officer of the political subdivision.
- 14.4 Any person executing this Agreement in a representative capacity hereby warrants that he/she has been duly authorized by his/her principal to execute this Agreement on such principal's behalf.
- 14.5. NOACA agrees for itself and its project contractors that it is in compliance with the requirements of R.C. § 125.111.

- 14.6 NOACA certifies that it: (i) has reviewed and understands the Ohio ethics and conflict of interest laws as found in Ohio Revised Code Chapter 102 and in Ohio Revised Code Sections 2921.42 and 2921.43, and (ii) will take no action inconsistent with those laws. NOACA understands that failure to comply with Ohio's ethics and conflict of interest laws is grounds for termination of this Agreement and may result in the loss of other contracts or grants with the State of Ohio.
- 14.7. NOACA affirms that it is compliant with R.C. § 3517.13.
- 14.8 NOACA affirms that it has read and understands Executive Order 2019-12D issued by Ohio Governor Mike DeWine. NOACA has signed and completed the Standard Affirmation and Disclosure Form and shall abide by those requirements in the performance of this Agreement and perform no services required under this Agreement outside of the United States. The Executive Order can be accessed at the following website:

  https://governor.ohio.gov/wps/portal/gov/governor/media/executive-orders/2019-12d.
- 14.9 Pursuant to R.C. § 9.76 (B), NOACA warrants that it is not boycotting any jurisdiction with whom the State of Ohio can enjoy open trade, including Israel, and will not do so during the contract period.
- 14.10 This Agreement may be executed in multiple counterparts, each of which shall be deemed an original and all of which shall constitute one agreement. Signatures delivered electronically (by facsimile or electronic mail) shall be deemed originals for all intents and purposes. The signature of any party to any counterpart shall be deemed to be a signature to, and may be appended to, any other counterpart.
- 14.11 While this Agreement is captioned as Partner Agreement, neither that title nor any provision of this Agreement creates any agency, partnership, employer/employee, joint venture or other relationship between the Partner and NOACA.
- 14.12 If any term, covenant or condition of this Agreement or the application thereof to any part, person or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Agreement or the application of such term, covenant or condition shall be valid and shall be enforced to the fullest extent permitted by law.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year last written below.  $\dot{}$

DATE: 11/8/21

We hereby submit the following outline for consulting services:

Upon your acceptance of this proposal, Construction Resources, Inc. will be engaged to prepare detail drawings and construction documents for the exterior envelope repair to the natatorium building segment. Makarich Structural Engineering LLC will assist us in design of the structural components and their fee of \$5,000 is included in the fee stated below. The liability for the work to be contracted lies with the awarded contractor and the manufacturers of the products they install.

We will prepare a draft package of full specifications and drawings for your approval, in keeping with the recommendations made in our recent study report. Subsequent to your approval of the design documents, we will provide a listing of qualified contractors that should be invited to the prebid meeting. We will be present at the prebid meeting to answer appropriate bidder questions and explain the scope of the project. We will assist in reviewing the bids that are submitted to the Client in sealed envelopes and in recommending the bid to accept.

The draft plans and specifications will be reviewed with you within 90 days from acceptance of this proposal and your approval to proceed, weather permitting.

A separate proposal for a field observation and/or contract administration and project meeting service will be submitted, upon your request.

--dollars (\$133,000.00)

Payable as follows: Net 30 days billing.

The Consultant's services consist of those services done by Construction Resources, Inc., its employees, or outside consultants who may be required to perform the intended scope of work as outlined. The services provided by the Consultant, its findings, or reports prepared will be in accordance with its proposal, Owner's acceptance of these agreements, and generally accepted principles and practices of the industry. In performing its services, the Consultant will use that degree of care and skill ordinarily exercised under similar circumstances by members of its industry. Statements made in reports by the Consultant are opinions based on Judgment and are not to be construed as representations of fact. Consultant's liabilities are limited to the total amount of the fee charged to the client.
