Mayor Gammella,

As the Fire Prevention Officer, Chief and Assistant Chief for the City of Brook Park, we highly recommend the City contracts with Protegis Fire & Safety to replace the fire alarm system at the Scott D. Shields Service Center.

Protegis has done outstanding work for our city for the past few years including replacement of the John A. Polonye Recreation Center. We have had zero issues with that system. They also monitor that system with radio mesh technology that eliminated the cost of the 2 dedicated phone lines in the old system. The same will apply with the service center.

Sincerely,

William J. Bennett
