WHEREAS, this Council desires to make certain public infrastructure improvements and promote economic opportunity within the City of Brook Park (the "City");

WHEREAS, Ohio Revised Code Sections 5709.40, 5709.42 and 5709.43 (the "TIF Act") provide that this Council may declare Improvements (as defined in Ohio Revised Code Section 5709.40) with respect to such parcels of real property located in the City to be a public purpose, thereby authorizing the exemption of those Improvements from real property taxation for a period of time, provide for the making of service payments in lieu of taxes by the owner of such parcels, provide for the distribution of a portion of such service payments to the Berea City School District and the Polaris Career Center, establish a municipal public improvement tax increment equivalent fund into which such service payments shall be deposited, and specify public infrastructure improvements made, to be made or in the process of being made that directly benefit, or that once made will directly benefit those parcels; and

WHEREAS, the Berea City School District and the Polaris Career Center have been notified of this Ordinance consistent with Ohio Revised Code Sections 5709.40 and 5709.83;

NOW, THEREFORE, BE IT ORDAINED by the Council of the City of Brook Park, County of Cuyahoga, State of Ohio, that:

Section 3. This Council hereby finds and determines that one hundred percent (100%) of the increase in assessed value of each Parcel subsequent to the effective date of this Ordinance (which increase in assessed value is hereinafter referred to as the "Improvement" as defined in Ohio Revised Code Section 5709.40(A)) is hereby declared to be a public purpose and

exempt from taxation in accordance with Ohio Revised Code Section 5709.40(B) for a period commencing for each separate Parcel on the January 1 of the tax year in which an Improvement would appear on the tax list and duplicate for such tax year for that Parcel (it being the intent that each Parcel be exempt for separate 30 year periods) were it not for the exemption granted by this Ordinance, and ending on the earlier of (a) thirty (30) years after such commencement or (b) the date on which the City can no longer require service payments in lieu of taxes, all in accordance with the requirements of the TIF Act.

Section 4. Pursuant to Ohio Revised Code Section 5709.42, the owner of each Parcel is hereby required to and shall make service payments in lieu of taxes with respect to the Improvement allocable thereto to the Cuyahoga County Treasurer (the "County Treasurer") on or before the final dates for payment of real property taxes. The service payments in lieu of taxes shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and collected against that Improvement if it were not exempt from taxation pursuant to Section 3 of this Ordinance, including any penalties and interest (collectively, the "Service Payments"). The TIF Fund shall be maintained in the custody of the City and shall receive all distributions to be made to the City pursuant to Section 6 of this Ordinance. Those Service Payments and Property Tax Rollback Payments received by the City with respect to the Improvement of each Parcel and so deposited pursuant to Ohio Revised Code Section 5709.42 shall be used solely for the purposes authorized in the TIF Act or this Ordinance. The TIF Fund shall remain in existence so long as such Service Payments and Property Tax Rollback Payments are collected and used for the aforesaid purposes, after which time the TIF Fund shall be dissolved and any incidental surplus funds remaining therein transferred to the City's General Fund, all in accordance with Ohio Revised Code Section 5709.43.

Section 6. Pursuant to the TIF Act, the Cuyahoga County Fiscal Officer is requested to distribute the Service Payments to the Berea City School District and the Polaris Career Center in an amount equal to the amount each school district would otherwise have received as real property tax payments derived from the Improvement to that Parcel if the Improvement had not been exempt from taxation pursuant to this Ordinance. The Cuyahoga County Fiscal Officer is requested to distribute all remaining Service Payments to the City for further deposit into the TIF Fund for payment of costs of the Public Infrastructure Improvements, including, without limitation, debt charges on any securities of the City heretofore or hereafter issued to pay or reimburse financing costs or costs of those Public Infrastructure Improvements and any other lawful purpose.

720.07 ISSUANCE OF MEDICAL MARIJUANA DISPENSARY LICENSE.

(a) Within five days of receipt of an application for a medical marijuana dispensary license, the Director shall notify the Commissioner and the Chief of such application. In making such notification, the Director shall request that the Chief promptly investigate the information provided in the application and shall request that the Chief and Commissioner promptly inspect the premises for which the medical marijuana dispensary license is sought in order to assess compliance with the regulations under their respective jurisdictions.

(b) The Chief and the Commissioner shall begin their respective investigations and inspections promptly upon receipt of notice of an application from the Director. The Chief and Commissioner shall provide the results of their investigations, including written certifications of whether the premises and applicants are in compliance with the laws and regulations under their respective jurisdictions, to the Director, in writing, within 60 days of receipt of notice of the application.

(c) The Commissioner's inspection of the premises for which a medical marijuana dispensary license is sought shall include an investigation as to whether the premises are in compliance with the Ohio Basic Building Code, the Brook Park Zoning Code, the Brook Park Property Maintenance Code, and the provisions of this chapter related to physical characteristics of the premises.

(d) Within 90 days after receipt of a completed medical

marijuana dispensary license application, the Director shall approve or deny the issuance of a license. The Director shall approve the issuance of a license to an applicant unless he or she determines that one or more of the following findings is true:

(1) An applicant who is a natural person is under 18 years of age.

(2) An applicant has failed to provide information reasonably necessary for issuance of the license as requested on the application form, or has falsely answered a question or request for information on the application form.

(3) No person identified in the application pursuant to Section 720.06(b) or Section 720.06(c) of this chapter has been denied a license to operate a medical marijuana dispensary or has had a license to operate a medical marijuana dispensary revoked within the preceding 12 months by any jurisdiction.

(4) No person identified in the application pursuant to Section 720.06(b) or Section 720.06(c) of this chapter has been convicted of a disqualifying offense.

(5) The proposed medical marijuana dispensary would violate or fail to be in compliance with any provisions of the Brook Park Zoning Code, Property Maintenance Code or General Offenses Code, or state statute or regulation.

(7) An applicant is in violation of or is not in compliance with any provision of this chapter, except as provided in subsection (e)(1) of this section.

(1) The results of inspections of the premises by the Chief or the Commissioner indicate that the premises are not in compliance with applicable laws and regulations under their respective jurisdictions, including the provisions of this chapter related to characteristics of the physical premises. This subsection shall not apply to premises that are in violation of any law or regulation that is identified or referenced in subsections (d)(1) through (d)(7) hereof.

(2) An applicant is overdue in payment to the City of taxes,

fees, fines, or penalties assessed against or imposed upon him or her in relation to any business, which are not the subject of a pending appeal or other legal challenge.

(f) If the Director determines that no other grounds for denial of a license exist under subsection (d) hereof, the Director shall not delay approval of the application past the end of the 90-day period provided in this section solely because the Chief has not provided the Director with the results of his inspection of the premises; the results of the Commissioner's inspection of the premises are not available; or the Chief has not completed his investigation of the criminal background of the applicant(s). If, after approving the issuance of a license, the Director receives information from his investigation which he determines constitutes grounds for denial of a license under subsection (d) hereof, then the medical marijuana dispensary license issued pursuant to this subsection (f) hereof shall be immediately revoked. If after approving the issuance of a license, the Director receives information concerning the results of inspections of the premises by the Chief, or the Commissioner's inspection, which the Director determines constitutes grounds for the issuance of a license subject to a requirement to correct deficiencies under subsection (e) hereof, then a requirement shall be added to the terms of the medical marijuana dispensary licenses issued pursuant to this subsection (f) hereof to correct all deficiencies noted within 120 days of the date such requirement is added.

(g) A medical marijuana dispensary license, if granted, shall state on its face the name of the person or persons to whom it is granted, the expiration date, and the address of the licensed medical marijuana dispensary. (c) In addition to the application and investigation fee required

in subsection (a) or (b) hereof, every applicant that is granted a medical marijuana dispensary license (new or renewal) shall pay to the City an annual, non-prorated license fee in the amount of \$25,000.00 upon license issuance or renewal, plus an amount equaling 1.5 percent of the licensee's gross annual sales above the amount of \$1,250,000.00 which the licensee shall calculate at the expiration of the license or renewal term using sales figures from the licensee's state-mandated reporting or recordkeeping forms, and which the licensee shall pay within 60 days of the expiration of any term (new or renewal of the license. The initial license fee may be refunded only if the applicant does not receive a license issued by the state board of pharmacy for a period covering any portion of the term of the license issued by the City. (b) An application for renewal of a medical marijuana dispensary

license shall be submitted to the Director on a form provided by the Director. The renewal application may request and the applicant shall provide such information as reasonably necessary to enable the City to determine whether the applicant meets the qualifications established in this chapter. The completed renewal application shall describe any changes or additions to, or deletions from, the information provided in the applicant's initial license application pursuant to Section 720.06 of this chapter. The completed renewal application shall be accompanied by copies of any document or material submitted in connection with the initial license application that has been revised or requires revision to reflect any change in circumstances or conditions.

Sketches or diagrams and security plans submitted with an initial medical marijuana dispensary license application may be resubmitted with subsequent renewal applications, provided that the applicant certifies in writing that the sketch or diagram and security plan still depict the premises and plan accurately.

(c) The Director shall make determinations concerning the approval of license renewals based on the same criteria used to evaluate applications for new licenses under Section 720.07 of this chapter.

(2) Has authorized or approved an employee's violation of or failure to comply with any section of this chapter, or as a result of the licensee's negligent failure to supervise either the premises of the medical marijuana dispensary or a medical marijuana dispensary has allowed an employee to violate or fail to comply with any section of this chapter.

(b) The City shall suspend a medical marijuana dispensary license for a period not to exceed 30 days if it determines that a licensee or his employee or agent has refused to allow an inspection of the licensed medical marijuana dispensary premises as authorized by this chapter.

(c) The Director shall advise the licensee in writing of the reason(s) for any suspension.

720.12 LICENSE REVOCATION.

(a) The City shall revoke a medical marijuana dispensary license if a cause of suspension under Section 720.11 of this chapter occurs and the license has been suspended two times within the preceding 12 months.

(1) A licensee gave false or misleading information in the material submitted during the application process;

(c) The Director shall advise the licensee in writing of the reason(s) for any revocation.

(d) When the City revokes a license, the licensee shall not be issued another license for one year from the date the revocation became effective. If the City finds, subsequent to revocation, that the basis for the revocation has been corrected or abated, the applicant may be granted a license if at least 90 days have elapsed since the date the revocation became effective.

720.13 APPEAL RIGHTS.

(a) Any denial, suspension, or revocation of a new or renewal license under this chapter may be appealed to the City of Brook Park Board of Zoning Appeals by written notice within 10 days of such denial, suspension or revocation.
