## REAL ESTATE PURCHASE CONTRACT

THIS REAL ESTATE PURCHASE CONTRACT (the "Contract"), executed as of March 17, 2023 constitutes the agreement of purchase and sale by and between [The City of BROOK PARK], a Municipality ("Seller"), and [BLUE ABYSS], a Delaware Corporation ("Buyer").

### WITNESSETH:

**WHEREAS**, Seller is the owner of certain real estate identified as Cuyahoga County parcel number 341-36-008, 341-30-004, 341-36-011, 341-05-001, consisting of approximately 12.8 acres, commonly known as City of Brook Park Land, Brook Park, Ohio, and more particularly described on Exhibit A, attached hereto and incorporated herein (the "Land"); and any and all improvements located thereon (collectively, the "Improvements") (the Land and Improvements collectively the "Property"); and

**WHEREAS**, Buyer desires to purchase the Property from Seller on the terms and conditions set forth in this Contract;

**NOW THEREFORE**, in consideration of the mutual covenants and obligations herein contained and other good and valuable consideration received to the full satisfaction of each of them, the parties agree as follows:

1. **Agreement to Buy and Sell.** Seller agrees to sell and convey to Buyer and Buyer agrees to buy and take title to, under the terms and conditions set forth below, the Property.

2. **The Purchase Price:** The Purchase Price shall be seven hundred eighty three thousand, seven hundred and fifty dollars (\$783,750.00) payable in immediately available funds as follows: a) An earnest money deposit of One hundred thousand dollars (\$100,000.00) shall be payable on the Effective Date, which is defined as the date on which the Council of the City of Brook Park formally approves by ordinance this Agreement, and such deposit shall be refundable if there is no date of Closing (hereinafter defined). Further the balance of six hundred eighty three thousand seven hundred and fifty dollars (\$683,750.00) shall be paid at closing.

3. **Contingencies:** Buyer's obligation to purchase the Property and Seller's obligation to sell the Property is subject to the satisfaction or waiver of the conditions and contingencies described herein (the "Contingencies") on or before the date that is 6 months following the Effective Date; provided, however, that Buyer may extend such 6 month period by an additional 3 months upon written notice to Seller (the "Contingency Period"). Pursuant to the Charter of the City of Brook Park, City Council shall make provision by Ordinance for the sale of all municipal property. Therefore, this purchase is contingent upon the approval and passage of an ordinance by Brook Park City Council.

(a) **Title.** Within ninety (90) days of the Effective Date, Buyer shall obtain, at Seller's expense, a commitment for an owner's policy of title insurance issued by a title insurance company selected by Buyer (the "Title Company") with respect to the Property (the "Title Commitment"). The Title Commitment shall show in Seller marketable title in fee simple free and clear of all liens and encumbrances except: (i) those created by Buyer; (ii) those specifically set forth in this Contract; (iii) zoning ordinances; (iv) legal highways; and (v) covenants, restrictions, conditions and easements of record which are acceptable to Buyer. If title is subject to liens, encumbrances, easements, conditions, restrictions or encroachments other than those excepted by this Contract, Buyer shall have the right to object to such conditions within twenty (20) days of Buyer's receipt of both the Title Commitment and Survey (hereinafter defined). If Buyer so objects, and Seller fails to remedy or remove any such defect, lien, encumbrance, easement, condition, restriction or encroachment within the Contingency Period, Buyer shall have the option to terminate this Contract by delivering written notice thereof to Seller and receive a return of its earnest money deposit. At Closing, Seller shall sign an affidavit with respect to off-record title matters as required by the Title Company and Buyer. The issuance of a title insurance policy pursuant to the Title Commitment (the "Title Policy") is a condition precedent to the parties' obligation to proceed to Closing under this Agreement. The Title Policy shall be in a form reasonably acceptable to Buyer and in the amount of the Purchase Price, showing title to the Property vested of record in Buyer in fee simple, subject only to any matters approved or waived by Buyer, any matters shown on the Survey and not objected to by Buyer and any other matters that Buyer has approved in writing.

(b) **Survey.** Within ninety (90) days of the Effective Date, Buyer shall have the right to obtain, at Seller's cost and expense of up to \$6,000, a survey of the Property, together with certification of the surveyor as may reasonably be required by Buyer (the "Survey"). The Survey shall satisfy the most recent "Minimum Standard Requirements for ALTA/ACSM Land Title Surveys," jointly established and adopted by ALTA and ACSM, and shall meet the accuracy requirements of a Class A Survey as defined therein. If the Survey reveals any exceptions to title or any matters affecting the Property ("Survey Exceptions"), Buyer may notify Seller of such Survey Exceptions within twenty (20) days after Buyer's receipt of the last of the Title Commitment or Survey (the "Survey Notice"), whereupon Seller shall cure any disapproved Survey Exceptions. If Seller fails to cure any Survey Exceptions referenced in the Survey Notice within the Contingency Period, Buyer shall have the option to terminate this Contract by delivering written notice thereof to Seller and receive a return of its earnest money deposit.

(c) **Environmental Conditions.** The Buyer is aware of the presence of wetlands on these properties. Buyer shall have the right, and Seller shall provide Buyer access to the Property reasonably necessary, to obtain environmental reports regarding the soils, ground water, topography, geology and other conditions of the Property which Buyer considers necessary in Buyer's sole discretion, together with

reliance letters of the preparers of such reports as may be required by Buyer ("Environmental Reports"). If the Environmental Reports reveal any environmental matters adversely affecting the Property (the "Environmental Conditions"), Buyer may notify Seller of such Environmental Conditions (the "Environmental Notice"). Upon receipt of an Environmental Notice, Seller shall have the right, but not the obligation to, cure any disapproved Environmental Conditions. If the Environmental Condition is not cured to Buyer's reasonable satisfaction within the Contingency Period, Buyer shall have the right to terminate this Contract and receive a return of its earnest money deposit.

(d) **Inspection.** Seller shall cooperate in making the Property reasonably available for inspection by Buyer. If Buyer is not satisfied with the condition of the Property as disclosed by any inspection thereof, Buyer may deliver to Seller a written request that the Seller remedy any unsatisfactory conditions. In the event that Buyer and Seller do not reach agreement regarding remedying the unsatisfactory conditions prior to the expiration of the Contingency Period, then Buyer shall have the right to terminate this Contract and receive a return of its earnest money deposit.

(e) **Easements; Access Rights.** Buyer and Seller shall cooperate to secure any and all easements, rights of way, consents, amendments, variances, permits and or approvals from third parties as are necessary in order to permit Buyer to have ingress and egress to and full use and enjoyment of the Property in the manner and for the purposes contemplated by Buyer.

(f) **Intended Use.** Buyer shall have received all permits, approvals, consents and other authorizations from all governmental and other parties deemed necessary or desirable by Buyer to permit it to construct and operate its intended aerospace and marine research training facility and hotel (together, the "Facility") in a manner acceptable to Buyer in its sole discretion (the "Approvals"). In the event that Buyer does not obtain all such Approvals during the Contingency Period, then Buyer shall have the right to terminate this Contract and receive a return of its earnest money deposit.

(g) **Financing.** Buyer's obligations under this Contract shall be conditioned on Buyer's receipt of financing sufficient for Buyer to construct and operate the Facility upon terms acceptable to Buyer in its sole discretion. In the event that Buyer does not obtain all such financing during the Contingency Period, then Buyer shall have the right to terminate this Contract and receive a return of its earnest money deposit.

3. **Closing:** The closing of the purchase and sale of the Property (the "Closing") shall be the date that is fifteen (15) days after completion or waiver of the Contingencies. In addition to the satisfaction or waiver of the Contingencies, Buyer's obligations under this Contract are subject to and contingent upon the occurrence of the following on or before the date of Closing: (a) all of Seller's representations and warranties hereunder shall remain true and correct; (b) no moratorium, statute, order, regulation, ordinance or judgment of any court or governmental agency shall have been enacted, adopted, issued or initiated that

PRIVATE PROPERTY LATERAL REPLACEMENT PROGRAM,  
AND DECLARING AND EMERGENCY

**WHEREAS**, the goal of the Private Property Lateral Replacement Program is to reduce the risk of basement backup events, by reducing the amount of clear water that enters the sanitary sewer system through private property infiltration and inflow points.

**WHEREAS**, infiltration from groundwater/storm water that enters the sanitary sewer system through defects in sanitary and storm sewer pipes. The defects in sanitary sewers (laterals) include cracks, open joints, root intrusion points, and faulty connections into the sanitary sewer. These infiltration points give a pathway where clear water may enter the sanitary sewer system.

**WHEREAS**, inflow is the addition of clear water into the sanitary sewer system at points of direct connection to the sanitary sewer system. Some examples of inflow points are roof drain downspout connections, foundation drain connections, and storm drain cross connections that are connected into the sanitary sewer system, rather than the storm sewer system.

**WHEREAS**, most infiltration and inflow is caused by aging infrastructure that needs maintenance or replacement.

**WHEREAS**, peak inflow can occur during heavy storm events when storm sewer systems are surcharged, resulting in back-ups. In Brook Park, a high percentage of basement back-ups during a storm event are the result of infiltration and inflow.

**WHEREAS**, City Council shall appropriate funds from the Sewer and Drains Fund #429 to provide relief from Private Property Lateral Replacement Program due to storm water;

**WHEREAS**, the City of Brook Park encourages the improvement and maintenance of real property located within the City; and

**WHEREAS**, in an effort to maintain low cost and high quality, the work to remediate and repair residential laterals will be done in-house by Brook Park Service Department personnel.

**NOW THEREFORE, BE IT ORDAINED**, by the Council of the City of Brook Park, State of Ohio, that:

**SECTION 1:** The Mayor shall implement the Private Property Lateral Replacement Program to single family homeowners of Brook Park dwellings upon the following terms and conditions:

1. City personnel will identify residential properties that have compromised sanitary "test T" by visually inspecting with a camera.

3. Once the inspections have been completed, property owners will be made aware of the Private Property Lateral Replacement Program.
4. Property owners will be given the opportunity to pay \$1,500.00 to replace storm and sanitary laterals with PVC, between the foundation and sidewalk, including a clean out access point. Payment is due prior to any work commencing.
5. Property owners will be provided with a date of the "Test T" replacement. The homeowner will notify the City prior to the replacement date if they also want to participate in the Private Property Lateral Replacement Program.
6. The homeowner is responsible for removing any trees prior to work being started. Tree lawn trees will be the responsibility of the City to remove, if applicable.
7. The City is responsible for back fill only. The Private Property Lateral Replacement Program is only to replace existing piping with modern material to help in mitigating infiltration and inflow.
8. The property owner is responsible for all final restoration work and costs including, but not limited to: top soil, grass reseeding, watering, trees, shrubs, plants, rocks or gravel, landscaping, sidewalks, pavement, fences, long term settlement (removing excess or adding additional fill), etc.
9. To be part of the program, the homeowner needs to sign a release form.

**SECTION 2:** The money needed for aforesaid program shall be paid by the City from Fund #429 appropriated for the Private Property Lateral Replacement Program.

**SECTION 3:** It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public in compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

**SECTION 4:** This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of said City, and for the further reason implement the Private Property Lateral Replacement Program; this Ordinance receives the affirmative vote of at least five (5) members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, from and after the earliest period allowed by law.
