

**REGULAR COUNCIL MEETING
OF THE COUNCIL OF THE CITY OF BROOK PARK, OHIO
HELD ON OCTOBER 5, 2021**

The meeting was called to order by Council President Vecchio at 8:03 p.m., the clerk called the roll and the following Members of Council answered:

SCOTT, SCHMUCK, ORCUTT, TROYER, MENCINI, POINDEXTER, SALVATORE

Also in attendance were Mayor Gammella, Law Director Horvath, Finance Director Cingle, Service Director Garner, Recreation Director Elliott (8:05 p.m.) and Engineer Piatak (8:19 p.m.).

APPROVAL OF MINUTES OF PRECEDING MEETINGS:

1. Caucus prior to meeting minutes held on September 7, 2021.
2. Regular Council meeting minutes held on September 7, 2021.

Motion by Mr. Mencini, supported by Mr. Poindexter, to approve items one (1) and two (2) as printed.

ROLL CALL: AYES: Mencini, Poindexter, Salvatore, Scott, Schmuck, Orcutt

NAYS: Troyer. The motion carried with a vote of 6-1.

3. Caucus Prior to meeting minutes held on September 21, 2021.
4. Regular Council meeting minutes held on September 21, 2021.

Motion by Mr. Mencini, supported by Mrs. Schmuck, to approve items three (3) and four (4) as printed.

ROLL CALL: AYES: Mencini, Schmuck, Scott, Orcutt, Poindexter, Salvatore

NAYS: Troyer. The motion carried with a vote of 6-1.

REPORTS OF STANDING COMMITTEES:

Aviation & Environmental Committee - Chairwoman, Schmuck

Mrs. Schmuck stated no legislation to report.

Finance Committee - Chairman, Scott

Mr. Scott reported the Finance committee has one (1) item on tonight's agenda. The Board of Control met earlier and approved nine (9) items; three largest Sutphen Corporation for rescue tools and air lift bags in the amount or \$82,769.40, Shamrock Company Inc. for the 2021 tax forms and mailings in the amount of \$10,714.50 and VASU Communication, Inc. for a maintenance contract for warnings sirens from 12/1/21 through 11/30/22 in the amount of \$9,920.00.

Legislative Committee - Chairman, Mencini

Mr. Mencini reported the legislative committee had one (1) resolution on the Caucus Prior to agenda and in committee there are three (3) ordinances and one (1) resolution.

Parks & Recreation Committee - Chairman, Poindexter

Mr. Poindexter reported there is no legislation in committee and the recreation commission has met since last report. Currently, at the recreation center basketball signups are ongoing until end of October, the Fall festival will be held

Reports from standing committees:

Recreation committee - Chairman, Poindexter: cont.

October 10th from 12:00 p.m. to 3:00 p.m. at Kennedy Park with many activities.

Planning Committee - Chairman, Orcutt

Mr. Orcutt reported the Planning committee met last night with three items on the agenda. The first request approved was for aesthetic approval for construction of a new masonry front porch at 6058 Michael Drive; second item approved was a request project and aesthetic approval to construct a 29,400 sq. ft. open-air structure and operate an existing 60,400 sq. ft. building for storage of RV's (Recreational Vehicles) boats and automobiles at 5240 Smith Road and the third item approved was a request to approve the concept plan at 18300 Snow Road.

Mr. Mencini asked Mr. Orcutt on the third request with a four (4) to three (3) vote was a reason given for the no votes?

Mr. Orcutt responded it was a four (4) to two (2) vote and believe the few commissioners that voted not wanted to table due to just receiving the request. With the application the box for other was checked for the master development concept plan approval and the diagram given was one (1) of several layouts the parties had with 12 different buildings. The commissioners wanted more time to review the plans and talk with Mayor Gammella but the motion to have that failed.

I made a motion to approve with one (1) condition that any buildings that is constructed comes back to the Planning committee.

Mr. Mencini clarified each time.

Mr. Orcutt concurred.

Safety Committee - Chairman Troyer

Mr. Troyer reported the Safety committee has nothing on tonight's agenda but want to provide some information about the low spot on Sheldon Road by Abrams Creek that floods and causes problems, is back on the radar. In 2022 the design work will be done with the cost being split between Northeast Regional Sewer District (NEORSD), Cuyahoga County and Cities of Middleburg Hts with a total cost of about \$6 million-dollars. Hopefully, the MetroParks will be involved for the Lake to Lake Trail basically it's back on the radar and will take until 2024 to get done.

Mr. Vecchio asked Mr. Troyer what is going to be done?

Mr. Troyer responded reconstructing the area of Sheldon Road building a higher overpass so it doesn't flood and hopefully there was talks about the MetroParks doing a Lake to Lake so there would be a trail underneath and hope that gets

Reports from Standing committees:**Safety Committee - Chairman, Troyer: cont.**

included; I always tell everybody MetroParks has all the money. As far as safety the Mayor may want to talk about this we took the delivery awhile back of the new ambulance and since then it's been sent back (for repairs) twice. Service crews and Assistant Fire Chief, Pat Johnson, inspected the first (1st) the squad came in and found issues with the frame that had to be welded and put bolts through the welding to mount the box. This came from the fire chief that this the squad had to be sent back and the box was taken off tried to fix and replace. Came back and service crews and Pat Johnson looked at it and said no. Currently, they are looking for a whole new chassis and that's why the city doesn't have the new squad. Looking for the whole new chassis may be a problem or may not because Ford has changed the chassis. The good news is all everything is up and running and the pumpers are good for a year with having the yearly inspection but still waiting for the new squad. Runs are up at the fire department and there will be a firefighters' test in November and are scheduling nine (9) firefighters' per shift. No report received from the police department and would still like to have the information on tickets given and will leave with the most important safety issue being school buses and children; be careful.

Service Committee - Chairman, Salvatore

Mr. Salvatore stated the service committee had one (1) item on the Caucus Prior to agenda that was sent back to committee, therefore, there is no legislation on tonight's agenda. Would like thank the service department employees for doing a fabulous job and working hard.

Board of Zoning Appeals - Chairman, Mencini

Mr. Mencini reported the board of zoning met on October 4th with two requests on the agenda. The first request the board approved was for a 184 sq. ft. variance to construct a 384 sq. ft. accessory shed at 6348 Engle Road. The second request the board approved was for a 900-foot setback variance to construct a new masonry front porch at 6058 Michael Drive.

REPORTS OF SPECIAL COMMITTEES:**Southwest General Health Center - Trustee, Orcutt:**

Mr. Orcutt reported the hospital board met on September 29th virtually. The health center continues to have very high numbers in COVID-19 patients and that number is expected to increase; there has also been an increase of patients hospitalized within the last 30 days due to COVID-19. Number of patients testing positive for COVID-19 is at a rate of 12% to 15% that is consistent by other health care providers. Southwest continued to help local communities receive the COVID-19 vaccine and believes will help slow the spread of the virus and control pandemic. Based on guidance from the Ohio Department of Health and Centers for Disease Control all Ohioans aged 12 and older are eligible to receive the COVID-19 vaccine. The Food & Drug Administration (FDA) has authorized use of

Reports of special committees:**Southwest General Health Center - Trustee, Orcutt: cont.**

the following vaccines in each age group is available. 12 to 17 years of age the Pfizer vaccine only, 18 years of age and older Pfizer, Moderna and Janssen & Janssen to schedule your vaccine appointment visit the Ohio Department of Health's vaccine management solutions website.

Berea Board of Education - Representative, Mencini:

Mr. Mencini reported October is National Principal month. Starting October 1st children 18 and under can get a free meal provided by the Greater Cleveland Food Bank at the Cuyahoga County libraries, Monday through Friday from 3:00 p.m. to 4:00 p.m. On the Berea City School District's web page, a meet the candidates will be held on October 6th send questions in for the candidates. Past week was homecoming week with Coe Lake being packed. The Superintendent Student Advisory Council (SSSC) is made up of student leaders in grades seventh (7th) through 12th; an opportunity for the students to work alongside superintendents and other district leaders to encourage meaningful dialogue. Working with children I do not take that lightly as a coach and volunteer. when children signup they want to do specific things and if this is done through the schools it is somewhat structured and something students aren't interested in and mostly done for college.

Technology and Innovation Council Representative, Poindexter:

Mr. Poindexter reported the technology committee has not met since last report with the next meeting being held tomorrow in the chambers at 6:00 p.m. A few meetings back the committee started doing monthly technology tips; last month's tip was to turn off the sharing off Ring or other surveillance device. The new month tip for this month is how to keep track of children on Halloween there is a link of www.cnet.com for tips of how to use technology to keep track of children trick and treating.

Mr. Mencini and Mr. Vecchio stated to Mr. Poindexter great idea.

Mr. Scott asked Mr. Poindexter for an update on the DriveOhio program is going?

Mr. Poindexter responded as of now, it is still on the committee's agenda and is still brought up monthly and to date there hasn't been any movement. With the Memorandum of Understanding being passed the city is willing to welcome proposals for testing the autonomous testing vehicles. Currently the city is on standby waiting for companies to reach out to the city and reaching out to companies that do this type of testing. The City of Brook Park is one (1) of a handful and anyone coming to Ohio would see the city's name on the list, not a very long list.

REPORTS OF BOARDS AND COMMISSIONS:**INTRODUCTION OF RESOLUTIONS OF COMMENDATION:**

REPORTS AND COMMUNICATIONS FROM THE MAYOR:

Mayor Gammella reported the city will be having a firefighters' test coming up in November and has been advertised in the Plain Dealer. Recently attended a COG meeting for regional dispatch and it was interested to find out that the City of Brook Park has just as many medical calls as a city twice our size; think due to senior population and such and the reason that costs are up. The police department is instituting a stop program in the neighborhoods, not the main streets, for speeders. List of upcoming events is Shred-it day will be on Saturday, October 9th from 10:00 a.m. to 1:00 p.m. and Boo-Park on Sunday, October 10th. The Planning commission approved a conceptual for the Forward Innovation Parkway on the former Ford Motor Company property and ready to start buildings immediately in early 2022.

Questions:

Mr. Scott stated a while back a Ring security network was discussed for the police department to tie-in the owners that have Ring doorbells. Has there been any movement on this program?

Mayor Gammella responded didn't recall the discussion.

Mr. Mencini interjected that was a piece of legislation that I brought forward with people signing up to do this to assist the police department with crimes that could have been caught on the Ring doorbell.

Mr. Scott stated wanted to know with the holidays coming up and porch-pirating.

Mayor Gammella stated will speak with the police chief tomorrow.

Mr. Mencini thanked Mayor Gammella for the meeting earlier today with two (2) businesses to get a problem rectified. Thank you for the new speeding program that is on the top of the list with residents. Is there anything new with former Brook Park Memorial School (BPM)?

Mayor Gammella responded the city recently purchased the Super 8 motel on Snow Road that is a big project. Will have a representative next week to speak on the pool roof and walls. BPM is on the radar with ideas coming to Council and concepts and currently won't have anything for four (4) to five (5) months and will be maintained; the building is used somewhat by the police department.

Mr. Orcutt asked Mayor Gammella for an update on the Marginal tree lawn between Brookpark Road and Marginal road in the Fairlawn area. Back in 2018 a pole was hit and the residents are having safety issue concerns with the one (1) pole is not in the

Questions to the Mayor: cont.

ground and tied up by rope. Are there any plans for a utility company to come out and

Questions to the Mayor: cont.

remove the pole?

Mr. Garner stated met with representatives from First Energy at that location and also sent pictures and that pole and four others are in the hands of First Energy.

Mr. Troyer asked Mayor Gammella any further progress with the traffic study on Sheldon and Engle Roads?

Mayor Gammella responded the problem is the city has to coordinate with the City of Middleburg Hts. and what both cities want to do, will be forthcoming.

Mr. Troyer asked about the 'No Parking from here to corner' signs and the signage on Calvin and Grosse Drives?

Mayor Gammella responded can't answer that and deferred to Mr. Garner.

Mr. Garner stated not aware of what the request is so can't answer.

Mayor Gammella stated will make a note and get back to Mr. Troyer.

Mr. Vecchio stated with the upcoming winter weather and house sales being through the roof; the city has new residents. In your upcoming quarterly newsletter, would like an explanation of city laws for parking and so forth.

Mayor Gammella asked Mr. Vecchio to call him tomorrow to go over some ideas.

**REPORTS AND COMMUNICATIONS FROM DEPARTMENTS,
COMMISSIONS, AND OTHER PUBLIC OFFICIALS:**

Finance Director Cingle

Mr. Cingle reported once the September month-end reports are reviewed any questions please call.

Recreation Director Elliott

Mr. Elliott reported the Boo Park Fall Festival will be held on Sunday, October 10th from 12:00 p.m. to 3:00 p.m. clarifying the greenspace between the gazebo and library, not Kennedy Park. Auxiliary police will be available to help with parking and encouraging people to park at the recreation center, football concession area, waterpark and due to the library being open there will be limited parking. As Mr. Poindexter stated basketball and cheer registrations are ongoing through the month of October. The co-ed Volleyball program started, the adult ladies volleyball program will start later this month. Residential memberships for the month of October are half-off.

Reports and communications from other departments, commissions and other public officials: cont.**Law Director Horvath**

Mrs. Horvath reported the law department is working through the list of pending cases and doing best not to catch any new cases. As the season changes the department will be working on what is going on with some of the housing in the city any ideas or thoughts let the department know, time to address some of the problems being seen.

Service Director Garner

Mr. Garner reported shred-it day is Saturday October 10th at the service department on Holland Road from 10:00 a.m. to 1:00 p.m. being a drive-thru drop-off area with people to unload your shredding items. Bulk pickup is next week on regular scheduled rubbish day.

Engineer Piatak

Mr. Piatak provided an update on some of the roads projects. With the asphalt resurfacing project on Sandhurst, Holland, between the tracks, Michael, little section of Hummel by Shelby and Fry Road. The milling operations are scheduled for tomorrow starting on Sandhurst and continuing to the other street with completion by Thursday. After the milling is complete the concrete base will be inspected with partial depth repairs marked, intermediate repair placed and full-depth concrete to follow. With the Delores Blvd. project, the first mainline pour is scheduled for Thursday and follow-up on Monday with underdrains and aprons, on the southbound lane between Paulding and Rademaker. With the Sylvia Drive project, the catch-basins installations are near completion with one-way traffic going westbound and plan on implementing the maintaining of traffic on Thursday, with initiation of pavement removal operations. With the Middlebrook Blvd. project the first section of pavement removal between Havendale and Donald is complete, some underdrains were installed today and anticipate pouring concrete on Friday and follow-up with aprons and continue with the pavement removal moving south. Lastly, want to follow-up with the Sheldon-Abrams Creek project that Mr. Troyer mentioned. The administration has been working with NEORSD, Cuyahoga County of Public Works and the City of Middleburg Hts. and all indications is this project is moving forward. The NEORSD law department is in the process of drafting an agreement between all parties involved, for consideration. Currently, all parties are anticipating design being completed in 2022, utilities relocations and environmental permitting in 2023 with construction funds being available in 2024 or 2025. The district has completed some preliminary studies and has recommendations for a new culvert sizing for the Abram Creek waterway as well as elevating the roadway to get out of the 100' floodplain elevation.

Questions:

Mr. Mencini thanked Mr. Piatak with the bridge issue that was cleaned up, that had nothing to do with Euthenics of the city. To Mrs. Horvath and Mr. Sackett thank

Questions to directors: cont.

you for the two (2) issues that were dealt with the past ten days. To Mr. Garner let the crews they do a great job and asked when the yard waste dumping will end.

Mr. Garner responded November 11th the yard waste program will close with the containers being pulled. For rubbish residents can contact the service garage to make arrangements of meeting at the garage, this area will not be manned. Don't want to many people driving in the area with the large equipment i.e. snow plows and so forth being moved.

Mr. Troyer thanked Mr. Garner, service crews and Ms. White for the issue on Ruple Road and thank the crews for all their hard work. To Mr. Piatak thank you for the two item talked about. How definite is it for Sandhurst tomorrow?

Mr. Piatak responded can only tell you what I've been told all indications are is that Sandhurst will begin tomorrow; there are things in my control and things not in my control.

OTHER COMMUNICATIONS AND PETITIONS, AND VERBAL**APPROVAL: (INTRODUCTION OF NEW LEGISLATION):****New Legislation:**

A Resolution designating the month of October as Breast Cancer Awareness Month in the City of Brook Park and declaring an emergency. Introduced by Council as a Whole and Mayor Gammella. Placed in legislative committee.

Motion by Mr. Troyer, supported by Mr. Poindexter, to suspend Rule No. 12a, second part, and move to letter M for first reading.

ROLLCALL: AYES: Troyer, Poindexter, Mencini, Salvatore, Scott, Schmuck, Orcutt

NAYS: None. The motion carried.

Mr. Vecchio stated this will appear under M-1 as Resolution No. 18-2021.

An Ordinance authorizing the Mayor to advertise for bids for tree inventory services and to authorize the Mayor to enter into a contract with the lowest and/or best bidder to provide tree inventory services and declaring an emergency. Introduced by Mayor Gammella. Placed in Service committee

Motion by Mr. Troyer, supported by Mrs. Schmuck, to suspend Council Rule No. 12a second part and move to letter M for first reading.

ROLL CALL: AYES: Troyer, Schmuck, Scott, Orcutt, Mencini, Poindexter, Salvatore

NAYS: None. The motion carried.

Mr. Vecchio stated this will appear under M-2as Ordinance No. 11222--2021.

New Legislation: cont.

An Ordinance authorizing the Mayor to advertise for bids for tree arborist planting services and further authorizing the Mayor to enter into a contract with the lowest and/or best bidder and declaring an emergency. Introduced by Mayor Gammella. Placed in Service committee.

Motion by Mr. Troyer, supported by Mr. Mencini, to suspend Council Rule No. 12a second part and move to letter M for first reading.

ROLLCALL: AYES: Troyer, Mencini, Poindexter, Salvatore, Scott, Schmuck, Orcutt
NAYS: None. The motion carried.

Mr. Vecchio stated this will appear under M-3 as Ordinance No. 11223-2021.

Mr. Vecchio stated there five (5) pieces to be introduced.

A Resolution requesting the Cuyahoga County Fiscal Officer to advance tax revenues from the proceeds of tax levies pursuant to section 321.34 of the Ohio Revised Code and declaring an emergency. Introduced by Mayor Gammella. Placed in Finance committee.

An Ordinance providing for a contract between the Cuyahoga County General Health District and the City of Brook Park, Ohio, and declaring an emergency. Introduced by Mayor Gammella. Placed in Finance committee.

An Ordinance amending section 1315.02 of the Brook Park Codified Ordinances entitled 'Fees for Plan Review' and declaring an emergency. Introduced by Mayor Gammella. Placed in Legislative committee.

An Ordinance enacting Chapter 527 of the Brook Park Codified Ordinances entitled 'Flying Model Aircraft/Unmanned Aerial Vehicles (UAV's) and declaring an emergency. Introduced by Councilman Troyer. Placed in Legislative committee.

A Resolution honoring Cheryl Chornak for being chosen 2020 Citizen of the Year and declaring an emergency. Introduced by Councilman Troyer, C/W and Mayor Gammella. Placed in Legislative committee.

MISCELLANEOUS BUSINESS, APPOINTMENTS, CONFIRMATIONS:**REMARKS FROM THE AUDIENCE ON ANY SUBJECT MATTER:**

Elizabeth Sayers

23065 Cedar Point Road

Ms. Sayers expressed concerns with a letter not being read, not receiving public records except a letter and inspections from the fire department. Received mail that was very

Remarks from the audience on any subject matter:

Elizabeth Sayers

23065 Cedar Point Road

Inappropriate due to the bashing of candidates running for election.

James Zdravecky

5857 Wengler Drive

Mr. Zdravecky provided a folder of the problems with a roof contractor and expressed concerns with the purpose of a contractor registration, the purpose of pulling a permit and purpose of an inspection. Had a new roof installed in April, 2020 and the contractor doing shoddy work and building department personnel not assisting with the problems and a lien put on the home in November, 2020. Also, problems with the gutters installed when the roof was complete.

Mr. Vecchio stated this is not a Council matter and asked Mr. Zdravecky what would you like Council to do regarding this matter?

Mr. Zdravecky responded meeting with Building Commissioner Hurst in December, 2020 and provided all the information that was given to city employee, Braden Thomas, and not shared with Mr. Hurst. After looking at all the provided information Mr. Hurst informed Mr. Zdravecky you are 100% correct and will have to sue the contractor.

Mayor Gammella stated we talked last week and you talked to the city prosecutor.

Mr. Zdravecky responded no, I did not.

Mayor Gammella stated the city prosecutor told me he spoke with you and will have a conversation with him.

Motion by Mr. Orcutt, supported by Mr. Mencini, to address that problem.

ROLL CALL: AYES: Orcutt, Mencini, Poindexter, Salvatore, Troyer, Schmuck, Scott

NAYS: None. The motion carried.

Mr. Orcutt stated have had time to look over the information provided and what happened is the contractor put ice-guards on the roof with a product that was not approved in the United States, made in Europe. This product has granular on the top and in the building department's defense told the contractor to rip the product off and replace with something new. The contractor returned to the job and put new ice-guard over the original product applied, causing the product to tear up in a matter of time.

Mr. Zdravecky has done more work than any resident would have done; so did the building department. There were four (4) pages from the manufacturer with the installing contractor only sending a partial of that information, not providing all the correct information to the building department. Mr. Orcutt suggested to Mayor

Remarks from the audience on any subject: cont.

Mr. Orcutt cont.

Gammella to have the building department look at that again and issue a letter to the contractor that new information has been received and the contractor didn't follow the proper installation of the roof. Then Mr. Zdravecky can take that information to the law department for possible advice and handle any issues with the lien on your home.

Mayor Gammella stated to Mr. Zdravecky both the law director and I will meet with you now.

Mr. Mencini reiterated that the fire and police chiefs as well as department personnel should be in attendance at meeting. The reason for permits is to protect residents and have contractors sign things.

Mr. Troyer stated the company's registration should be pulled so they cannot do anymore work in Brook Park until this matter is settled.

Motion by Mr. Mencini, supported by Mr. Orcutt, to go back to the regular order of business.

ROLL CALL: AYES: Mencini, Orcutt, Schmuck, Scott, Salvatore, Poindexter, Troyer
NAYS: None. The motion carried.

Joan Markusic
13911 Bellbrook Drive

Ms. Markusic expressed concerns with Mayor Gammella being in office for 3 ½ years and residents have heard nothing but under confidentiality and not doing job until three (3) months before running for re-election. Recent newsletter sent to residents. Not being prepared at meetings with questions asked to the Mayor. Not being prepared to answer questions at a Council meeting.

Louis Modic
14399 Fayette Blvd.

Mr. Modic expressed concerns with the 1990 Census population having a 500-person count between the highest and lowest wards; 2000 there was a 1,196-person difference and don't know how it will affect the 2021 Census. At the August 24th meeting there were two (2) items for safety and testing equipment for the fire department that were removed from the agenda.

Ray Peterlin
5811 Wengler Drive

Mr. Peterlin expressed concerns of wanting a calendar date for the pool roof and walls to be fixed and open the pool. Wants all seven Councilmembers to answer questions about flooding or put something on the ballot for the residents to decide what to do.

INTRODUCTION OF ORDINANCES AND RESOLUTIONS: FIRST READING:

1. ORDINANCE NO. 11221-2021, MAKING A WRITTEN RETURN TO THE FISCAL OFFICER OF CUYAHOGA COUNTY, OHIO, FOR CHARGES FOR THE SERVICES OF THE WEEDS ON CERTAIN PARCELS OF LAND DESCRIBED HEREIN AND AUTHORIZING SAID CHARGES TO BE PLACED UPON THE TAX DUPLICATE AND COLLECTED AS OTHER TAXES PURSUANT TO SECTION 731.54 OF THE OHIO REVISED CODE AND DECLARING AN EMERGENCY.
