SECOND READING OF ORDINANCES AND RESOLUTIONS:

THIRD READING OF ORDINANCES AND RESOLUTIONS:

Mr. Salvatore thanked Council for being very professional with the confusion of legislation. Deferred to Mr. Poindexter for his announcement.

Mr. Poindexter stated Good Evening Brook Park, tonight I will be submitting my letter of resignation effective September 30, 2026. Serving on this Council has been an honor of a lifetime and am proud of the work we've done. Building the Technology and Innovation Committee; supporting local law enforcement and safety services; putting together the Build-up proposal and many other initiatives. First ran (for office) in 2017 to fight for working families and am proud to keep that focus every day since. Want to thank my neighbors for giving the chance to serve and all of you for being great partners. As many of you am running for Congress and with just 49 days left need to focus my time on winning that race. When I win want to bring to Washington what I learned on this Council. How to work with people with different beliefs to get things done and how to never forget the reason I do all of this to put workers first. Thank you all.

Motion by Mr. Poindexter, supported by Mr. Roberts, to accept Mr. Poindexter's resignation effective September 26, 2026.
ROLL CALL: AYES: Poindexter, Roberts, Gonzalez, Dufour, Scott, McCorkle, Mencini
NAYS: Unanimous.

Mr. Salvatore commented to Mr. Poindexter been a pleasure working with you and will miss your feisty approach to some of the issues that were very near and dear to your heart. Very passionate with things you did and don't fault you for that because you speak from the heart when making decisions. Will be hard to fill your shoes and will be missed.

Comments on Mr. Poindexter's resignation from Council: cont.

Mayor Orcutt commented will always be Councilman Poindexter to me and you and I came on Council together. From the time that we started until today with accomplishing things. I can say that we worked extremely hard together and appreciate our working relationship. Want to thank you and wish you the best of luck with everything you have going on.

Mr. Mencini commented we always didn't agree but the thing I respected about you and heard from our foremothers and forefathers that served when out in public you and your family, past and present, were always good to me. Had one (1) thing I love and that is having no fear and speak your mind and in this world that is hard to do. Some people think it's easy until you're up here it's not that easy. Always did that and did that strong and always respected you for that. You are a great guy and told people that with the Circle K differences that you're doing it from your heart. Wish you good luck and respect you for doing this it's a lot of work and big commitment from your family.

Mr. Gonzalez commented want to emphasis what I told you before is that we didn't get to spend a lot of time up here together but with the short period of time I glad for. Want to emphasize to the public and told you before is that I really respect the most out of you. You are giving up something you love to go pursue something that you love. What I respect is that you're going 100% into something and not halfway. That is what I respect with the things that we have done up here together and wish you the best of luck. Win, lose or draw you can look in the mirror and say I gave 100%; by doing this you're going all in, appreciate you and wish you the best of luck.

Mr. Roberts commented respect what you're doing; learned a lot from you; will miss you and appreciate serving with you. Good luck with your future endeavors.

Mr. Scott commented you and I didn't get along up here with some of our differences but you were passionate and if there was something you felt strongly about you fought for it. Outside these walls we got along very well and want to wish you good luck it's a lot of work.

Mr. McCorkle commented appreciate what you're doing am proud of you; wish you good luck and working hard and keep it up.

Mr. Dufour commented it was ten years ago in November, the night before you became a Councilman. One (1) thing I learned about you then and hasn't changed is how much of yourself you put into everything you do. That intensity hasn't dwindled at all in a decade and was proud then to call you a Councilman and constituent and am proud now to call you my colleague but more than anything proud to call you my friend.

Mr. Poindexter thanked everyone and stated had tears in my eyes past few weeks more than the past ten years and this is another moment. Through our differences we all became true friends and thank you all. Didn't think this would be this hard but here I am

Comments on Mr. Poindexter's resignation from Council: cont.

and got into this race to do it the Brook Park way. Only Brook Park people know what that means and hope win, lose or draw make the residents of this city and friends will say I gave it my all because that's what I like to do. Thank you all and good night Brook Park.

Mr. Salvatore commented one (1) comment in closing know you will be representing several cities; hope you win and keep Brook Park number one (1).

Mr. Poindexter commented can't forget it's my initials.

There being no further business to come before this meeting a **motion** by Mr. Poindexter, supported by Mr. Roberts to adjourn.
