(d) Within 90 days after receipt of a completed medical

(f) If the Director determines that no other grounds for denial of a license exist under subsection (d) hereof, the Director shall not delay approval of the application past the end of the 90-day period provided in this section solely because the Chief has not provided the Director with the results of his inspection of the premises; the results of the Commissioner's inspection of the premises are not available; or the Chief has not completed his investigation of the criminal background of the applicant(s). If, after approving the issuance of a license, the Director receives information from his investigation which he determines constitutes grounds for denial of a license under subsection (d) hereof, then the medical marijuana dispensary license issued pursuant to this subsection (f) hereof shall be immediately revoked. If after approving the issuance of a license, the Director receives information concerning the results of inspections of the premises by the Chief, or the Commissioner's inspection, which the Director determines constitutes grounds for the issuance of a license subject to a requirement to correct deficiencies under subsection (e) hereof, then a requirement shall be added to the terms of the medical marijuana dispensary licenses issued pursuant to this subsection (f) hereof to correct all deficiencies noted within 120 days of the date such requirement is added.
