CITY OF BROOK PARK, OHIO

ORDINANCE NO:

11352-2023

INTRODUCED BY: MAYOR ORCUTT

AN ORDINANCE

AUTHORIZING THE MAYOR TO ENTER INTO A CONTRACT WITH STATEWIDE FORD, INC. FOR THE PURCHASE OF TWO (2) POLICE VEHICLES, AND DECLARING AN EMERGENCY

WHEREAS, the Brook Park Police Department has an urgent need to replace current police cruisers with new models; and

WHEREAS, the Brook Park Police Department has affirmed after reasonable inquiry that only one (1) source of supply is reasonably available; further, they have confirmed that only fifteen (15) 2023 police cruisers remain available for purchase in the entire state of Ohio and no functionally equivalent police cruisers are available which will satisfy the Brook Park Police Department's needs; and

WHEREAS, the Brook Park Police Department has confirmed that no police cruisers will be available for purchase during the 2024 model year; and

WHEREAS, only one dealership, to wit: Statewide Ford, Inc., an Ohio Corporation located in Van Wert County, Ohio has these fifteen (15) cruisers available for purchase on a first-come, first-serve basis, with a Purchase Order required to place a hold on the remaining vehicles; and

WHEREAS, the Brook Park Police Department has determined that it is not possible to fulfill a procurement need via a competitive manner, thus a review was made to qualify them as a **single-source procurement**, based upon the following:

1. All efforts to find other responsive suppliers have been unsuccessful.
2. The anticipated costs are fair and reasonable based upon a review of prior purchases from this Vendor within a competitive process; and

WHEREAS, this purchase is an acquisition made in order to avert a threat to the public health, safety and/or welfare, to wit: the need to always maintain a sufficient number of fully-operational police cruisers and to promote a continuation of this highest priority service to the residents and others who spend time in the City of Brook Park; and

NOW, THEREFORE, BE IT ORDAINED, by the Council of the City of Brook Park, State of Ohio, that:

**SECTION 1:** The Mayor is hereby authorized to enter into an Agreement with Statewide Ford, Inc. for the purchase of two (2) 2023 Ford Utility Police Intercepts with Police Car packages in the amount of sixty-six thousand, four hundred and thirty eight dollars (\$66,438.00) for each vehicle for a total expenditure of one hundred, thirty-two thousand, eight hundred seventy-six dollars (\$132,876.00), a written proposal for said vehicles is attached hereto and incorporated herein by reference as Exhibit "A".

**SECTION 2:** The funds necessary for the within purchase shall be allocated from Fund #401.

**SECTION 3:** It is found and determined that all formal actions of this Council concerning and relating to the adoption of this Ordinance were adopted in an open meeting of this Council, and that all deliberations of this Council and of any of its committees that resulted in such formal action were in meetings open to the public in full compliance with all legal requirements, including Section 121.22 of the Ohio Revised Code.

**SECTION 4:** This Ordinance is hereby declared to be an emergency measure immediately necessary for the preservation of the public peace, health, safety and welfare of said City, and for the further reason to allow the City to purchase two (2) new police vehicles; provided this Ordinance receives the affirmative vote of at least five (5) members elected to Council, it shall take effect and be in force immediately upon its passage and approval by the Mayor; otherwise, from and after the earliest period allowed by law.

John,

Attached is a quote for one unit but we probably have 10-15 remaining. We have more quotes out there for the same vehicles, so we ask that you provide a purchase order as soon as possible. Delivery of vehicles will be based on when the remaining vehicles arrive from the factory and we can schedule the build out of your customer supplied equipment.

Please review and let me know if you have any questions.

Thank you,

Hi John,

Just got off the phone with Ford...I had my model's mixed up,...

2023 Interceptor – the order bank is closed but is still in production and will build till the end of this year.

2024 Interceptor – ONLY vehicles that can be ordered will be RE-ORDERS of the 2023 models that did not get produced as 2023 model's.

2025 Interceptor – order bank will open in approximately November 2023 and Job 1 will be approximately in Spring 2024.

The 2023 Responder orderbank is closed but still in production. Build for 2023 Responder will probably go till end of 2023. No information yet on 2024.

Hi Tom,

Unfortunately, the 2023 Explorer Interceptors are unable to be ordered for the remainder of the model year. As soon as the 2024's go on order and I can get an accurate quote to you then.

Thank you for the opportunity,
