Re: Brook Park City Council South Wall

Dear Mr. Hurst:

At the request of the City, The Brewer-Garrett Company has explored the solution and provided the scope and cost required to remove the existing south wall in the new City Council Chambers.

This proposal includes all labor, materials, and equipment to fur out/laminate the existing south wall in the City Council Chambers area. This includes removal of the existing mirrors (to be discarded as they are unsalvageable), installation of hat channel and/or metal studs and drywall on masonry walls and columns, laminating of drywall over existing metal panels at upper areas, and associated taping and finishing.

We have formulated the costs of the above described scope. The scope of work also includes all scheduling, project management, and oversight of work.

Based on implementation of the above scope, Brewer-Garrett will be responsible for all aspects and results of the project.

Total Cost

\$23,780

Thank you for considering The Brewer-Garrett Company as part of this opportunity. Please contact me with any questions and we look forward to hearing back from you regarding this proposal.

Very Truly Yours,
The Brewer-Garrett Company
