## **BROOK PARK PROUD**

The Recreation Center has always been a favorite place to go and has provided many fond memories while growing up in the City of Brook Park. Today, it continues to be the most popular gathering place for family, friends, and neighbors since we opened in 1972. At that time, Brook Park was one of the first communities in Northeast Ohio to construct a Recreation Center. The facility was named in honor of the former Mayor, John A. Polonye, for his dedication and devotion to the betterment of the city. Through the years the building has gradually evolved. Highlights of the 1996 Recreation Improvement projects included Alice Hassing Outdoor Waterpark, Mini Gym, and elevated indoor track. In 2017, renovations were made to accommodate City Hall, City Council, and Mayor's Court operations into this building.

The Brook Park Recreation Department provides all programs and facilities on a non-discriminatory basis for all citizens, regardless of age, race, sex, creed, or disability. Every effort will be made to accommodate all participants. If you need any special assistance to use our facility, please let us know in advance so we can make arrangements for your visit.

Each day our staff strives to improve our facility, our programs, and our customer service. We look to offer all recreational, educational, athletic, and wellness opportunities to all members of the community. In addition, we also offer a number of community events you are sure to enjoy.

We hope you find this Information Guide helpful. If you have any questions or need more information, please stop by the front desk for more assistance.
