

Are you interested in becoming a C.E.R.T. Member and helping your family, friends, neighbors and community in a time of need?

Southwest General Health Center will start a new C.E.R.T. Class on September 22, 2010.

Southwest General Health Center, in conjunction with the cities of Berea, Brook Park, Brunswick Hills, Columbia Station, Hinckley Township, Middleburg Heights, Olmsted Falls, Strongsville and Cleveland Hopkins International Airport Fire Department, have blended our resources, training and experience for the C.E.R.T. training program

Anyone interested in becoming part of the CERT team and learning how to better prepare to care for yourself, your family, friends and neighbors in an emergency is welcome to attend this excellent training program. For more information or to RSVP your attendance at the training, contact Tricia Granfors at 440-552-5784 or at CERT_Admin@windstream.net.
