

City of Brook Park

Recycling 2020

*****Brook Park is committed to controlling refuse collection and landfill costs*****

Recycling properly is one critical part of this vision.

Occasionally Rules change at our Recycling Facility that we need to adhere too.

Effective immediately we are asking all of Brook Park residence to follow the Cuyahoga County Solid Waste districts “5 Ways to Recycle Right”

- ***Leave recyclables loose – not bagged.*** Plastic bags do not belong in your recycling bin or cart. Plastic bags get tangled in the sorting machines at the recycling facilities and cause major problems for the recycling process. Plastic shopping bags can be recycled at many retail locations, including Giant Eagle, Lowe’s Home Improvement, Marc’s, Target and Walmart stores.
- ***Make sure it’s clean and empty.*** Rinse residue from cartons, containers, bottles and jars or any other recyclable that may contain food particles. For example, greasy pizza boxes are not accepted.
- ***Keep it dry.*** When it comes to paper and cardboard, keeping it dry is imperative for the recycling process. Please flatten all cardboard boxes as well.
- ***Don’t Wish – Cycle.*** Think you can throw everything into your recycling bin and it will get sorted out at the Recycling Plant ? Think again. Recycling only these five core items is paramount: cans, cartons, glass and plastic along with plastic bottles and jugs.
